HOUSE JOURNAL
SIXTY-SIXTH LEGISLATIVE DAY - MARCH 24, 2011

March 24, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, MT 59620

Dear Speaker Milburn:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 307, "AN ACT PROHIBITING STATE BUILDING CODES FROM REQUIRING MANDATORY INSTALLATION OF FIRE SPRINKLER SYSTEMS IN CERTAIN RESIDENTIAL BUILDINGS; AMENDING SECTION 50-60-203, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

House Bill 307 prohibits the Department of Labor and Industry, state building codes, from adopting a requirement that sprinklers be installed in certain residential buildings. Requiring sprinkler systems in large, new, rural residential subdivisions has been a controversial issue in recent years. However, new residential housing projects that have limited water supply and/or

are remotely located and dependent on volunteer fire departments present serious public safety concerns.

The bill with my amendments still prohibits state building codes from adopting a state wide requirement on fire sprinklers. However, my amendments to House Bill 307 permit our state building codes to adopt a rule that would allow local jurisdictions to adopt and enforce building standards to decide how and when additional requirements for fire suppression should be required in new construction. I believe it is important to provide flexibility to local jurisdictions. Local public meetings where citizens, professional firefighters, builders and local officials debate and hopefully come to consensus on the standards will produce better results.

I respectfully request that the legislature agree to these proposed amendments.

Sincerely,

BRIAN SCHWEITZER
Governor

(2) As used in this chapter, unless the context indicates otherwise, the following definitions apply:

(a) "Appraisal" means a written statement, independently and impartially prepared by a certified real estate appraiser as defined in 37-54-102 with a minimum of 5 years of experience, setting forth an opinion of defined value of an adequately described property or property interest on a specific date and supported by the presentation and analysis of relevant market information.

(b) "Final written offer" means the last written offer presented to the property owner at least 30 days before service of process in a civil action pursuant to 70-30-202.

(c) "Negotiation" means a communication process of give-and-take discussions between parties.""

Insert: "**Section 2.** Section 70-30-110, MCA, is amended to read:

"70-30-110. Survey and location of property to be taken -- greatest public good -- least private injury. (1) In all cases in which land is required for public use, the state or its agents in charge of the public use may survey and locate the land to be used. The use must be located in the manner that will be most compatible with the greatest public good and the least private injury, and the location is subject to the provisions of 70-30-206. The state or its agents in charge of the public use may, after giving 30 days' written notice to the owners and persons in possession of the land, enter upon the land and make examination, surveys, and maps of the land. The entry does not constitute a cause of action in favor of the owners of the land except from injuries resulting from negligence or intentional acts. Upon written request of the state or its agents, the owner shall provide the names and addresses of all persons who are in possession of the owner's land within 14 days from receipt of the written notice. The state or its agents shall within 14 days from receipt of that information furnish written notice to the listed persons. The notice to the listed persons must be sent to the address provided by the owner, and if the owner fails to provide the address then there is no obligation to send the notice unless the state or its agent otherwise has an address for the listed person. The notice to the listed persons does not affect the deadline of the original 30 days' notice or the right of the state or its agent to enter upon the land upon the expiration of the 30 days.

(2) Prior to or at the time of rejection of the final written offer as referred to in 70-30-111(4) 70-30-111(1)(d), the condemnee may provide to the condemnor the condemnee's claim of appropriate measures that the condemnee considers necessary to minimize damages to the property directly affected by the project as well as to minimize damages incurred to the remaining parcel of property.""

HOUSE JOURNAL
SIXTY-SEVENTH LEGISLATIVE DAY - MARCH 25, 2011

Insert: "Section 3. Section 70-30-111, MCA, is amended to read:

"70-30-111. Facts necessary to be found before condemnation. (1) Before property can be taken, the condemnor shall show by a preponderance of the evidence that the public interest requires the taking based on the following findings:

(1)(a) the use to which the property is to be applied is a public use pursuant to 70-30-102;
(2)(b) the taking is necessary to the public use;
(3)(c) if already being used for a public use, that the public use for which the property is proposed to be used is a more necessary public use;

(4)(d) ~~an effort to obtain the property interest sought to be taken was made by submission of a written offer and the offer was rejected.~~ a final written offer of just compensation was made and the property owner was given at least 30 days to provide a written acceptance or rejection of the offer in accordance with subsection (2); and

(e) the appraisal, negotiation, and other condemnation procedures required pursuant to [section 6] have been satisfied.

(2)(a) The written offer must be sent by certified mail to the owner's property tax address unless the owner has advised the state or its agent in writing of a different address for notices for purposes of the negotiations.

(b) A written offer is considered rejected if no written acceptance is received within 30 days after its delivery."

Insert: "Section 4. Section 70-30-305, MCA, is amended to read:

"70-30-305. Condemnor to make offer upon appeal -- award of expenses of litigation.

(1) The condemnor shall, within 30 days after an appeal is perfected from the condemnation commissioner's award or report or not more than 60 days after the waiver of appointment of commissioners, submit to the condemnee a written final offer of judgment for the property sought to be taken, together, if the award was in excess of the final written offer as provided in 70-30-111(1)(d), with the accrued necessary expenses of the condemnee. If at any time prior to 10 days before trial the condemnee serves written notice that the offer is accepted, either party may then file the offer and notice of acceptance, together with proof of service of the acceptance, and judgment must be entered. An offer not accepted is considered withdrawn and evidence of the offer is not admissible at the trial except in a proceeding to determine costs. The fact that an offer is made but not accepted does not preclude a subsequent offer.

(2) In the event of litigation and when the condemnee prevails by receiving an award in excess of the final ~~offer of the condemnor~~ written offer as provided in 70-30-111(1)(d), the court shall award necessary expenses of litigation to the condemnee."

Insert: "Section 5. Section 70-30-311, MCA, is amended to read:

"70-30-311. Putting condemnor in possession. (1) At any time after the filing of the preliminary condemnation order pursuant to 70-30-206 or an order as provided in 60-4-104(4) and (5) and while it retains jurisdiction, the court upon application of the condemnor may make an order that:

(a) upon payment into court of the amount of compensation claimed by the condemnee in the condemnee's statement of claim of just compensation under 70-30-207, ~~or~~ the amount assessed either by the commissioners or by the jury, or 125% of the amount of the condemnor's final written offer pursuant to [section 6(8)], the condemnor is authorized:

(i) if already in possession of the property of the condemnee that is sought to be taken, to continue in possession; or

(ii) except as provided in subsection (3)(b), if not in possession, to take possession of the property and use and possess the property during the pendency and until the final conclusion of the proceedings and litigation; and

(b) all actions and proceedings against the condemnor on account of the possession are stayed until the final conclusion of the proceedings and litigation.

(2) If the condemnee fails to file a statement of claim of just compensation within the time specified in 70-30-207, the condemnor may obtain an order for possession provided for in subsection (1), subject to the condition subsequent that a condemnor's payment into court of the amount assessed either by the commissioners or by the jury must be made within 10 days of receipt of the ~~condemnee's statement of claim~~ report of the condemnation commissioners under 70-30-303 or the jury verdict under 70-30-304.

(3)(a) However, when an appeal is taken by the condemnee, the court, upon request of the condemnee, may require the condemnor ~~before continuing or taking possession,~~ in addition to paying into court the amount assessed, to give a bond or undertaking with sufficient sureties approved by the court and in an amount that the court may direct, conditioned to pay the condemnee any additional damages and costs above the amount assessed, which is finally determined as the amount that the condemnee is entitled to for the taking of the property, and all damages that the condemnee may sustain if for any cause the property is not finally taken for public use.

(b) The condemnor may remain in possession of the property during the proceedings to determine the bond or undertaking and may continue in possession if the condemnor posts the bond or undertaking within 10 days of the court's order determining the bond or undertaking.

(4) The amount assessed by the commissioners or by the jury on appeal is considered, for the purposes of this section and until reassessed or changed in the further proceedings, as just compensation for the property taken. However, the condemnor, by payment into court of ~~the an~~ amount ~~claimed in the answer or the amount assessed~~ under subsection (1)(a) or by giving security as provided in subsection (3), may not be prevented from appealing from the assessment but may appeal in the same manner and with the same effect as if money had not been deposited or security had not been given.

(5) (a) Subject to subsection (5)(b), in all cases in which the condemnor deposits ~~the an~~ amount ~~of the assessment~~ under subsection (1)(a) and continues in possession or takes possession of the property, as provided in this section, the condemnee, if there is no dispute as to the ownership of the property, may at any time demand and receive upon order of the court all or any part of the money deposited. The demand or receipt may not preclude the condemnee's right of appeal from the assessment. However, if the amount of the assessment is finally reduced on appeal by either party, the condemnee who has received all or any part of the amount deposited is liable to the condemnor for any excess of the amount received over the amount finally assessed, with legal interest on the excess from the time the condemnee received the money deposited. The excess, plus interest, may be recovered by a civil action. Upon any appeal from an assessment by the commissioners to a jury, the jury may make a finding for any amount that it considers appropriate.

(b) The court may not order the delivery to any condemnee of more than 75% of the money deposited on the condemnee's account except upon posting of bond by the condemnee equal to the amount in excess of 75%, with sureties to be approved by the court, to repay to the condemnor amounts withdrawn that are in excess of the condemnee's final award in the proceedings.""

policies mandated. Unless the property owner and the state or its agent agree in writing otherwise, the state or its agent shall comply with the following policies for the acquisition of real property:

(1) Before the initiation of negotiations for the acquisition of real property, an amount must be established by the state or its agent that is reasonably believed to be just compensation for the property or interest taken and that amount must be offered for the property as a written statement of the initial offer. Any decrease or increase in the fair market value of real property prior to the date of valuation caused by the public improvement for which the property is acquired or by the likelihood that the property would be acquired for the improvement, other than an amount due to physical deterioration within the reasonable control of the owner, must be disregarded in determining the compensation for the property. The owner of the real property to be acquired must be provided with a written statement of the initial offer and a summary of the basis for the amount established as just compensation. When appropriate, the just compensation for the real property to be acquired and for damages to remaining real property must be separately stated. The written statement of the initial offer must be sent by certified mail to the owner's property tax address unless the owner has advised the state or its agent in writing of a different address for statements and notices for the purposes of the negotiations.

(2)(a) The owner of the property sought to be taken shall reply to the state or its agent in writing within 30 days of delivery of the written statement of the initial offer pursuant to subsection (1) or additional offers pursuant to subsection (3) in accordance with subsections (2)(b) and (2)(c) or the offer is considered rejected.

(b) In a reply to the written statement of the initial offer or additional written offers, the owner of the property sought to be taken shall accept, reject, or provide a counteroffer to the state or its agent.

(c) The reply must be delivered by certified mail.

(3) After receiving a response to the written statement of the initial offer pursuant to subsection (2), the state or its agent may continue negotiations with the owner of the property sought to be taken by providing additional written offers. If the state or its agent provides additional written offers to the owner of the property sought to be taken, the property owner shall respond as provided in subsection (2).

(4) Forty-five days after the owner receives the written statement of the initial offer, the state or its agent may send written notice to the property owner to end initial negotiations. The notice must be sent by certified mail to the property owner's property tax address unless the owner has advised the state or its agent in writing of a different address for notices and statements for the purposes of the negotiations. The notice may request that the parties begin a mediation process under subsection (5).

(5) The state or its agent shall make every reasonable effort to expeditiously acquire real property by negotiation using the process in subsections (1) through (4). If:

(a) within 45 days of the written statement of the initial offer a voluntary property interest agreement has not been signed by both parties, a formal mediation process may begin if the parties mutually agree to a mediation process. The mediator must be paid for by the state or its agent acquiring the property. A reasonable effort does not require mediation.

(b) within 90 days of the delivery of the written statement of the initial offer the parties cannot agree on a mediation process, the mediation efforts do not produce a settlement agreement, or the parties do not otherwise reach agreement on a mutually signed property interest agreement, the state or its agent acquiring the property shall make the final written offer provided for in 70-30-

111(1)(d) based upon an appraisal. The property owner has 30 days from delivery of the final written offer to either accept or reject the final written offer, and a lack of acceptance or rejection on the part of the property owner within that time means that the property owner has rejected the final written offer.

(c) the final written offer is rejected as provided in subsection (5)(b), a civil action may be filed pursuant to 70-30-202.

(6) A property owner's claim for appropriate measures under 70-30-110(2) may not be considered a rejection of the final written offer by the state or its agent referred to in 70-30-111(1)(d).

(7)(a) Real property must be appraised before the final written offer, and the owner or the owner's designated representative must be given an opportunity to accompany the appraiser during the appraiser's inspection of the property. The appraiser has the right to enter upon property for the purposes of appraising the property, and the entry does not constitute a cause of action in favor of the owner except from injuries resulting from negligence or intentional acts.

(b) For appraisals done by appraisers licensed by another state, the licensure qualifications for that state must be as stringent as those provided for in Title 37, chapter 54, part 2.

(8) An owner may not be required to surrender possession of real property before the agreed purchase price and relocation costs are paid or before there is deposited with the court, in accordance with 70-30-311(1)(a) and subsection (11) of this section, for the benefit of the owner, an amount not less than 125% of the amount of the final written offer by the state or its agent, the amount of the award of compensation in the condemnation proceeding of the property, or the amount of compensation claimed by the condemnee in the condemnee's statement of claim of just compensation under 70-30-207.

(9) The construction or development of a program or project must be scheduled so that, to the greatest extent practicable, a person lawfully occupying real property is not required to move from a dwelling or to materially move the person's business or farm operation without at least 90 days' written notice of the date by which a move is required.

(10) If an owner or tenant is permitted to occupy the real property acquired on a rental basis, on a short-term basis, or for a period subject to termination by the condemnor on short notice, the amount of rent required may not exceed the fair rental value of the property to a short-term occupier.

(11) The timeframe for condemnation and negotiations must be in accordance with this chapter, and the deposit of funds in court for the use of the owner may not be deferred. Any other action coercive in nature may not be taken to compel an agreement on the price to be paid for the property.

(12) If an interest in real property is to be condemned for a public use as defined in 70-30-102, formal condemnation proceedings must be instituted as provided in this chapter. The state or its agent may not intentionally make it necessary for an owner to institute legal proceedings to prove the fact of the taking of the owner's real property.

(13) If the fee acquisition of only part of the property would leave its owner with an uneconomic remnant, an offer to acquire the uneconomic remnant must be made.

(14) A person whose real property is being acquired may, after being fully informed of the person's right to receive just compensation, donate to the state or its agent the property, any interest in the property, or any compensation received for the property.

"COORDINATION SECTION. **Section 2. Coordination instruction.** If House Bill No. 59 and [this act] are both passed and approved, then [section 3 of House Bill No. 59], a coordination section, is void, the sections amending 69-3-2003 in House Bill No. 59 and [this act] are void, and 69-3-2003 must be amended as follows:

"69-3-2003. Definitions. As used in this part, unless the context requires otherwise, the following definitions apply:

(1) "Ancillary services" means services or tariff provisions related to generation and delivery of electric power other than simple generation, transmission, or distribution. Ancillary services related to transmission services include energy losses, energy imbalances, scheduling and dispatching, load following, system protection, spinning reserves and nonspinning reserves, and reactive power.

HOUSE JOURNAL
SEVENTY-FIRST LEGISLATIVE DAY - MARCH 30, 2011

(2) "Balancing authority" means a transmission system control operator who balances electricity supply and load at all times to meet transmission system operating criteria and to provide reliable electric service to customers.

(3) "Common ownership" means the same or substantially similar persons or entities that maintain a controlling interest in more than one community renewable energy project even if the ownership shares differ between two community renewable energy projects. Two community renewable energy projects may not be considered to be under common ownership simply because the same entity provided debt or equity or both debt and equity to both projects.

(4) "Community renewable energy project" means an eligible renewable resource that:

(a) is interconnected on the utility side of the meter in which local owners have a controlling interest and that is less than or equal to 25 megawatts in total calculated nameplate capacity; or

(b) is owned by a public utility and has less than or equal to 25 megawatts in total nameplate capacity.

(5) (a) "Competitive electricity supplier" means any person, corporation, or governmental entity that is selling electricity to small customers at retail rates in the state of Montana and that is not a public utility or cooperative.

(b) The term does not include governmental entities selling electricity produced only by facilities generating less than 250 kilowatts that were in operation prior to 1990.

(6) "Compliance year" means each calendar year beginning January 1 and ending December 31, starting in 2008, for which compliance with this part must be demonstrated.

(7) "Cooperative utility" means:

(a) a utility qualifying as an electric cooperative pursuant to Title 35, chapter 18; or

(b) an existing municipal electric utility as of May 2, 1997.

(8) "Dispatch ability" means the ability of either a balancing authority or the owner of an electric generating resource to rapidly start, stop, increase, or decrease electricity production from that generating resource in order to respond to the balancing authority's need to match supply resources to loads on the transmission system.

(9) "Electric generating resource" means any plant or equipment used to generate electricity by any means.

(10) "Eligible renewable resource" means a facility either located within Montana or delivering electricity from another state into Montana that, except as provided in subsection (10)(d)(ii), commences commercial operation after January 1, 2005, and that produces electricity from one or more of the following sources:

(a) wind;

(b) solar;

(c) geothermal;

(d) (i) water power, in the case of a hydroelectric project that:

~~—— (i) does not require a new appropriation, diversion, or impoundment of water and that has a nameplate rating of 10 megawatts or less; or~~

~~—— (ii) is installed at an existing reservoir or on an existing irrigation system that does not have hydroelectric generation as of April 16, 2009, and has a nameplate capacity of 15 megawatts or less; has a nameplate rating of 25 megawatts or less; or~~

(ii) water power in the case of a hydroelectric project that is an expansion of a hydroelectric project that commenced commercial operation before December 31, 2004, that increases generation capacity on or after [the effective date of this act]. The eligible renewable

resource includes only the actual amount of increased generation capacity produced by the project as a result of the expansion.

- (e) landfill or farm-based methane gas;
- (f) gas produced during the treatment of wastewater;
- (g) low-emission, nontoxic biomass based on dedicated energy crops, animal wastes, or solid organic fuels from wood, forest, or field residues, except that the term does not include wood pieces that have been treated with chemical preservatives such as creosote, pentachlorophenol, or copper-chroma-arsenic;
- (h) hydrogen derived from any of the sources in this subsection (10) for use in fuel cells;
- (i) the renewable energy fraction from the sources identified in subsections (10)(a) through (10)(j) of electricity production from a multiple-fuel process with fossil fuels; and
- (j) compressed air derived from any of the sources in this subsection (10) that is forced into an underground storage reservoir and later released, heated, and passed through a turbine generator.

(11) "Local owners" means:

- (a) Montana residents or entities composed of Montana residents;
- (b) Montana small businesses;
- (c) Montana nonprofit organizations;
- (d) Montana-based tribal councils;

- (g) any combination of the individuals or entities listed in subsections (11)(a) through (11)(f).

(12) "Nonspinning reserve" means offline generation that can be ramped up to capacity and synchronized to the grid within 10 minutes and that is needed to maintain system frequency stability during emergency conditions, unforeseen load swings, and generation disruptions.

(13) "Public utility" means any electric utility regulated by the commission pursuant to Title 69, chapter 3, on January 1, 2005, including the public utility's successors or assignees.

(14) "Renewable energy credit" means a tradable certificate of proof of 1 megawatt hour of electricity generated by an eligible renewable resource that is tracked and verified by the commission and includes all of the environmental attributes associated with that 1 megawatt-hour unit of electricity production.

(15) "Seasonality" means the degree to which an electric generating resource is capable of producing electricity in each of the seasons of the year.

(16) "Small customer" means a retail customer that has an individual load with an average monthly demand of less than 5,000 kilowatts.

(17) "Spinning reserve" means the online reserve capacity that is synchronized to the grid system and immediately responsive to frequency control and that is needed to maintain system frequency stability during emergency conditions, unforeseen load swings, and generation disruptions.

(18) "Total calculated nameplate capacity" means the calculation of total nameplate capacity of the community renewable energy project and other eligible renewable resources that are:

- (a) located within 5 miles of the project;
- (b) constructed within the same 12-month period; and

MESSAGES FROM THE GOVERNOR

April 1, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 64, **"AN ACT REQUIRING THE DEPARTMENT OF ADMINISTRATION TO ADOPT RULES FOR LOANING EMPLOYEES BETWEEN AGENCIES; AND AMENDING SECTION 2-18-102, MCA"** for the following reasons.

House Bill 64 requires the Department of Administration to adopt rules on loaning state employees between agencies. Administrative rules provide notice to the public about rules that concern the public such as hunting and fishing rules and wage and hour rules. (See, 2-4-101, MCA and 2-4-102, MCA (11)(b)(i) & (12)(a)). A published rule on loaning employees is unnecessary because loaning employees between agencies is internal to state government. Going to the expense of publishing rules in this area that has no impact on the public is an unnecessary waste of taxpayer dollars.

Employees have been loaned to help with projects that impact their agencies. The limited practice has helped efficiently complete projects. Agency heads have effectively managed the very limited practice of loaning employees. At one time the Department of Administration had a policy on loaning employees. I will ask the Department of Administration to work with state agencies to develop an internal guide or new policy on loaning employees for agencies to follow.

Sincerely,

BRIAN SCHWEITZER
Governor

MESSAGES FROM THE GOVERNOR

April 1, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 327, **"AN ACT REVISING SCHOOL ADMINISTRATION LAWS; ESTABLISHING A WITHDRAWAL DATE FOR SCHOOL DISTRICT TRUSTEE ELECTIONS; PROVIDING WHO MAY ADMINISTER AN OATH OF OFFICE TO A SCHOOL DISTRICT TRUSTEE; CLARIFYING THE STATUS OF A SINGLE-MEMBER TRUSTEE DISTRICT AND A TRUSTEE NOMINATING DISTRICT IN AN ELECTION BY ACCLAMATION; REQUIRING TRUSTEES OF EACH DISTRICT TO ORGANIZE AS A GOVERNING BOARD NO LATER THAN 15 DAYS AFTER ELECTION DAY; CLARIFYING THE CALCULATION OF MAXIMUM ALLOWABLE INDEBTEDNESS FOR CERTAIN SCHOOL DISTRICTS; ELIMINATING REFERENCE TO AN INTEREST RATE ON SCHOOL DISTRICT BOND ELECTION BALLOTS; AMENDING SECTIONS 20-3-305, 20-3-307, 20-3-313, 20-3-321, 20-9-406, 20-9-426, 20-9-427, AND 20-9-428, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE"** for the following reasons.

HB 327 amends school administration laws generally in the area of trustee elections and bonding issues. I propose amendments to HB 327 to accomplish two things.

First, section 5 of the bill amends Mont. Code Ann. § 20-9-406, which limits the maximum amount of indebtedness by a K-12 school district through the issuance of bonds up to 100% of the taxable value of the property subject to taxation. Under current law, the limits contained in § 20-9-406 apply to bonds authorized for building reserves. Section 5 of HB 327 excludes from the limits of § 20-9-406 building reserve bonds.

I object to section 5 of HB 327 and propose striking it from the bill. Schools should limit their indebtedness through bonding as a matter of sound fiscal management. I believe that current law appropriately safeguards good fiscal management by trustees by imposing, statutorily, limits to indebtedness that include indebtedness for building reserves. I believe my amendment is good for schools and for the taxpayers who fund school bonds.

HOUSE JOURNAL
SEVENTY-FOURTH LEGISLATIVE DAY - APRIL 2, 2011

Second, my amendments would limit certain expenditures by school districts when a board of trustees terminates a teacher because the financial condition of the district requires a reduction in the number of teachers employed. My amendment puts "classrooms first," so that when school boards cut education in the classroom for fiscal reasons, they must curtail expenditures on non-essential items.

I ask you for favorable consideration of my amendment.

Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Mike Milburn
Speaker of the House

The Honorable Jim Peterson
President of the Senate
State Capitol

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 219, "**AN ACT INCREASING THE DEDUCTION ALLOWED UNDER THE INDIVIDUAL INCOME TAX FOR FEDERAL INCOME TAXES PAID BEGINNING IN TAX YEAR 2015; PROVIDING AN INFLATION ADJUSTMENT FOR THE DEDUCTION OF FEDERAL INCOME TAXES PAID BEGINNING IN TAX YEAR 2016; AMENDING SECTION 15-30-2131, MCA; AND PROVIDING AN APPLICABILITY DATE**" for the following reasons.

I am returning HB 219 with amendments to correct the long-term fiscal imbalance that would result to the State of Montana if HB 219 were to pass in its current form. The 2003 Legislature enacted Senate Bill No. 407, which lowered state income tax rates and partially paid for those rate reductions with a limit on the federal tax deduction of \$5,000 for individuals and \$10,000 for married couples. In 2003, the Executive and Legislature agreed not to index this deduction for

HOUSE JOURNAL
SEVENTY-FOURTH LEGISLATIVE DAY - APRIL 2, 2011

inflation because it would create long term fiscal problems. HB 219 in its current form creates the very problems avoided in 2003, with its cost estimated to more than triple in five years -- from \$2.868 million in FY 2016 to \$9.432 million in FY 2021. Without amendment, HB 219 is unacceptable because it is unaffordable over the long term.

To bring HB 219 into fiscal balance, my proposed amendments do three things. First, they increase the federal tax deduction to \$5,120 for individuals and \$10,240 for married couples in the current tax year (as opposed to the increases of \$5,250 and \$10,500, respectively, provided for in the current version of the bill, in future tax years). Second, they eliminate the inflation adjustment for the deduction of federal income taxes in future years, because that provision will create substantial fiscal stress over time. Third, they correct an oversight in SB 407 from the 2003 session that failed to apply the limit on the federal tax deduction to trusts, resulting in an unjustified tax break to wealthy, out of state trusts. Combined, the net effect of these amendments is to bring HB 219 into fiscal balance with \$1 million of annual cost balanced with \$1 million of annual revenue.

Increasing the limit on the federal tax deduction, as proposed in my amendment, will decrease taxes for approximately 100,000 taxpayers. Correcting the trust tax error will end an unjustified tax break provided to wealthy trusts owned primarily by non-residents. Ninety-five percent of the revenue from correcting the trust tax oversight is estimated to come from the top 10% of all trusts (901 trusts) -- of which more than three-fourths are out-of-state. These 901 trusts each earned an average income of nearly \$2.5 million in tax year 2008, totaling more than \$2.2 billion. More than 90% of the 9,000 trusts controlled by Montana taxpayers overall -- and especially the modest trusts -- will see no tax effect from this correction.

These amendments make HB 219 affordable and correct an error that unfortunately has benefitted wealthy, out of state trusts.

I ask you for favorable consideration of my amendments.

Sincerely,

BRIAN SCHWEITZER
Governor

commissioner may enter into a cooperative or reciprocal agreement with other states, individually or collectively, for the purposes of collecting, allocating, and disbursing premium taxes and fees attributable to multistate risks. The allocation methodology of any agreement must be based upon readily available data, with simplicity and uniformity for the surplus lines insurance producer as a material consideration. Any agreement regarding multistate risks may require that a single, blended tax rate be used.

(2) An agreement entered into under this section must provide for:

(a) uniform eligibility standards for unauthorized insurers;

(b) uniform methods for reporting surplus lines insurance transactions and sharing information between the parties to the agreement based upon readily available data;

(c) uniform methods for allocating and reporting surplus lines insurance risk classifications based upon readily available data;

(d) uniform procedures for the collection, allocation, and distribution of taxes and fees attributable to the multistate risks;

(e) uniform disclosures to policyholders regarding the reporting and collection of premium taxes on multistate risks;

(f) an allocation methodology and resulting collection of premium tax revenue, less costs of administration and collection, that generate premium tax revenue not less than the premium tax revenue collected under 33-2-311;

(g) minimizing the data collection and reporting burden on insureds and surplus lines insurance producers;

(h) a withdrawal process that minimizes instability among the participating states and the surplus lines and insurance industries;

(i) regulatory provisions that provide certainty regarding compliance to all persons having an interest in surplus lines insurance transactions, including but not limited to insureds, regulators, surplus lines insurance producers, other insurance producers, and surplus lines insurers; and

(j) continued collection of premium taxes under 33-2-311 until the collection infrastructure under the agreement is fully operational and the provisions of the agreement are fully implemented.

(3) If the commissioner has entered into an agreement under subsection (1) for multistate risks and the agreement provides that each participating state develop a single, blended tax rate for multistate risks:

(a) the provisions of 50-3-109 are not applicable to the collection of premium taxes;

HOUSE JOURNAL
SEVENTY-SIXTH LEGISLATIVE DAY - APRIL 5, 2011

(b) the single, blended tax rate must be 3.3% on premiums and must be computed in the manner provided in 33-2-705(1) as to premiums of authorized insurers, except that amounts collected from the insured specifically for applicable state and federal taxes and in excess of the premium otherwise required are not considered to be part of the premium for the purposes of the computation; and

(c) the 3.3% tax collected must be distributed as follows:

(i) 2.75% must be considered premium taxes as provided in 33-2-705 and paid to the state general fund; and

(ii) 0.55% must be considered fire premium taxes as provided in 50-3-109 and paid to the state general fund.

(4) If a single-state risk is involved and Montana is the home state of the insured, the surplus lines transaction must be submitted to the commissioner and the commissioner shall collect the tax at the same rate and in the same manner as provided in 33-2-705.

(5) If the commissioner has entered into a cooperative or reciprocal agreement under subsection (1), the commissioner may contract with the designated clearinghouse to process multistate risks and allocate and distribute taxes and fees collected.

(6) As used in this section, "readily available data" means Montana-specific data, if any, used to rate a surplus lines insurance policy."

"75-1-201. General directions -- environmental impact statements. (1) The legislature authorizes and directs that, to the fullest extent possible:

(a) the policies, regulations, and laws of the state must be interpreted and administered in accordance with the policies set forth in parts 1 through 3;

(b) under this part, all agencies of the state, except the legislature and except as provided in ~~subsection (2)~~ subsections (2) and (3), shall:

(i) use a systematic, interdisciplinary approach that will ensure:

(A) the integrated use of the natural and social sciences and the environmental design arts in planning and in decisionmaking for a state-sponsored project that may have an impact on the Montana human environment by projects in Montana; and

(B) that in any environmental review that is not subject to subsection (1)(b)(iv), when an agency considers alternatives, the alternative analysis will be in compliance with the provisions of subsections (1)(b)(iv)(C)(I) ~~through (1)(b)(iv)(C)(III)~~ and (1)(b)(iv)(C)(II) and, if requested by the project sponsor or if determined by the agency to be necessary, subsection ~~(1)(b)(iv)(C)(IV)~~ (1)(b)(iv)(C)(III);

(ii) identify and develop methods and procedures that will ensure that presently unquantified environmental amenities and values may be given appropriate consideration in decisionmaking for state-sponsored projects, along with economic and technical considerations;

(iii) identify and develop methods and procedures that will ensure that state government actions that may impact the human environment in Montana are evaluated for regulatory restrictions on private property, as provided in subsection (1)(b)(iv)(D);

(iv) include in each recommendation or report on proposals for projects, programs, and other major actions of state government significantly affecting the quality of the human environment in Montana a detailed statement on:

(A) the environmental impact of the proposed action;

(B) any adverse ~~environmental~~ effects on Montana's environment that cannot be avoided if the proposal is implemented;

(C) alternatives to the proposed action. An analysis of any alternative included in the environmental review must comply with the following criteria:

(I) any alternative proposed must be reasonable, in that the alternative must be achievable under current technology and the alternative must be economically feasible as determined solely by the economic viability for similar projects having similar conditions and physical locations and

determined without regard to the economic strength of the specific project sponsor;

(II) the agency proposing the alternative shall consult with the project sponsor regarding any proposed alternative, and the agency shall give due weight and consideration to the project sponsor's comments regarding the proposed alternative;

~~(III) if the project sponsor believes that an alternative is not reasonable as provided in subsection (1)(b)(iv)(C)(I), the project sponsor may request a review by the appropriate board, if any, of the agency's determination regarding the reasonableness of the alternative. The appropriate board may, at its discretion, submit an advisory recommendation to the agency regarding the issue. The agency may not charge the project sponsor for any of its activities associated with any review under this section. The period of time between the request for a review and completion of a review under this subsection may not be included for the purposes of determining compliance with the time limits established for environmental review in 75-1-208.~~

~~(IV)(III)~~ the agency shall complete a meaningful no-action alternative analysis. The no-action alternative analysis must include the projected beneficial and adverse environmental, social, and economic impact of the project's noncompletion.

(D) any regulatory impacts on private property rights, including whether alternatives that reduce, minimize, or eliminate the regulation of private property rights have been analyzed. The analysis in this subsection (1)(b)(iv)(D) need not be prepared if the proposed action does not involve the regulation of private property.

(E) the relationship between local short-term uses of the Montana human environment and the maintenance and enhancement of long-term productivity;

(F) any irreversible and irretrievable commitments of resources that would be involved in the proposed action if it is implemented;

(G) the customer fiscal impact analysis, if required by 69-2-216; and

(H) the details of the beneficial aspects of the proposed project, both short-term and long-term, and the economic advantages and disadvantages of the proposal;

(v) in accordance with the criteria set forth in subsection (1)(b)(iv)(C), study, develop, and describe appropriate alternatives to recommend courses of action in any proposal that involves unresolved conflicts concerning alternative uses of available resources; If the alternatives analysis is conducted for a project that is not a state-sponsored project and alternatives are recommended, the project sponsor may volunteer to implement the alternative. Neither the alternatives analysis nor the resulting recommendations bind the project sponsor to take a recommended course of action, but the project sponsor may agree pursuant to subsection (4)(b) to a specific course of action.

(vi) recognize the ~~national and potential~~ long-range character of environmental ~~problems~~ impacts in Montana and, when consistent with the policies of the state, lend appropriate support to initiatives, resolutions, and programs designed to maximize ~~national~~ cooperation in anticipating and preventing a decline in the quality of ~~the world~~ Montana's environment;

(viii) initiate and use ecological information in the planning and development of resource-oriented projects; and

jurisdiction by law or special expertise with respect to any environmental impact involved in Montana and with any Montana local government, as defined in 7-12-1103, that may be directly impacted by the project. The responsible state official shall also consult with and obtain comments from any state agency in Montana with respect to any regulation of private property involved. Copies of the statement and the comments and views of the appropriate state, federal, and local agencies that are authorized to develop and enforce environmental standards must be made available to the governor, the environmental quality council, and the public and must accompany the proposal through the existing agency review processes.

(d) a transfer of an ownership interest in a lease, permit, license, certificate, or other entitlement for use or permission to act by an agency, either singly or in combination with other state agencies, does not trigger review under subsection (1)(b)(iv) if there is not a material change in terms or conditions of the entitlement or unless otherwise provided by law.

(2) (a) Except as provided in subsection (2)(b), an environmental review conducted pursuant to subsection (1) may not include a review of actual or potential impacts beyond Montana's borders. It may not include actual or potential impacts that are regional, national, or global in nature.

(b) An environmental review conducted pursuant to subsection (1) may include a review of actual or potential impacts beyond Montana's borders if it is conducted by:

- (i) the department of fish, wildlife, and parks for the management of wildlife and fish;
- (ii) an agency reviewing an application for a project that is not a state-sponsored project to the extent that the review is required by law, rule, or regulation; or
- (iii) a state agency and a federal agency to the extent the review is required by the federal agency.

(2)(3) The department of public service regulation, in the exercise of its regulatory authority over rates and charges of railroads, motor carriers, and public utilities, is exempt from the provisions of parts 1 through 3.

~~(3) (a) In any action challenging or seeking review of an agency's decision that a statement pursuant to subsection (1)(b)(iv) is not required or that the statement is inadequate, the burden of proof is on the person challenging the decision. Except as provided in subsection (3)(b), in a challenge to the adequacy of a statement, a court may not consider any issue relating to the adequacy or content of the agency's environmental review document or evidence that was not first presented to the agency for the agency's consideration prior to the agency's decision. A court may not set aside the agency's decision unless it finds that there is clear and convincing evidence that the decision was arbitrary or capricious or not in compliance with law. A customer fiscal impact analysis pursuant to 69-2-216 or an allegation that the customer fiscal impact analysis is inadequate may not be used as the basis of any action challenging or seeking review of the agency's decision.~~

~~(b) When new, material, and significant evidence or issues relating to the adequacy or content of the agency's environmental review document are presented to the district court that had not previously been presented to the agency for its consideration, the district court shall remand the new evidence or issue relating to the adequacy or content of the agency's environmental review document back to the agency for the agency's consideration and an opportunity to modify its findings of fact and administrative decision before the district court considers the evidence or issue relating to the adequacy or content of the agency's environmental review document within the administrative record under review. Immaterial or insignificant evidence or issues relating to the adequacy or content of the agency's environmental review document may not be remanded to the agency. The district court shall review the agency's findings and decision to determine whether they~~

~~are supported by substantial, credible evidence within the administrative record under review.~~

~~———— (4) To the extent that the requirements of subsections (1)(b)(iv)(C)(I) and (1)(b)(iv)(C)(III) are inconsistent with federal requirements, the requirements of subsections (1)(b)(iv)(C)(I) and (1)(b)(iv)(C)(III) do not apply to an environmental review that is being prepared by a state agency pursuant to this part and a federal agency pursuant to the National Environmental Policy Act or to an environmental review that is being prepared by a state agency to comply with the requirements of the National Environmental Policy Act.~~

~~(5)(4)~~ (a) The agency may not withhold, deny, or impose conditions on any permit or other authority to act based on parts 1 through 3 of this chapter.

(b) Nothing in this subsection ~~(5)~~ (4) prevents a project sponsor and an agency from mutually developing measures that may, at the request of a project sponsor, be incorporated into a permit or other authority to act.

(c) Parts 1 through 3 of this chapter do not confer authority to an agency that is a project sponsor to modify a proposed project or action.

~~(6)(5)~~ (a) (i) A challenge to an agency action under this part may only be brought against a final agency action and may only be brought in district court or in federal court, whichever is appropriate.

(ii) Any action or proceeding challenging a final agency action alleging failure to comply with or inadequate compliance with a requirement under this part must be brought within 60 days of the action that is the subject of the challenge.

(iii) For an action taken by the board of land commissioners or the department of natural resources and conservation under Title 77, "final agency action" means the date that the board of land commissioners or the department of natural resources and conservation issues a final environmental review document under this part or the date that the board approves the action that is subject to this part, whichever is later.

(b) Any action or proceeding under subsection ~~(6)(a)(ii)~~ (5)(a)(ii) must take precedence over other cases or matters in the district court unless otherwise provided by law.

(c) Any judicial action or proceeding brought in district court under subsection ~~(6)(a)~~ (5)(a) involving an equine slaughter or processing facility must comply with 81-9-240 and 81-9-241.

(6) (a) (i) In an action alleging noncompliance or inadequate compliance with a requirement of parts 1 through 3, including a challenge to an agency's decision that an environmental review is not required or a claim that the environmental review is inadequate, the agency shall compile and submit to the court the certified record of its decision at issue, and except as provided in subsection (6)(b), the person challenging the decision has the burden of proving the claim by clear and convincing evidence contained in the record.

(ii) Except as provided in subsection (6)(b), in a challenge to the agency's decision or the adequacy of an environmental review, a court may not consider any information, including but not limited to an issue, comment, argument, proposed alternative, analysis, or evidence, that was not first presented to the agency for the agency's consideration prior to the agency's decision or within the time allowed for comments to be submitted.

(iii) Except as provided in subsection (6)(b), the court shall confine its review to the record certified by the agency. The court shall affirm the agency's decision or the environmental review unless the court specifically finds that the agency's decision was arbitrary and capricious or was otherwise not in accordance with law.

(iv) A customer fiscal impact analysis pursuant to 69-2-216 or an allegation that the customer fiscal impact analysis is inadequate may not be used as the basis of an action

challenging or seeking review of the agency's decision.

(b) (i) When a party challenging the decision or the adequacy of the environmental review or decision presents information not in the record certified by the agency, the challenging party shall certify under oath in an affidavit that the information is new, material, and significant evidence that was not publicly available before the agency's decision and that is relevant to the decision or the adequacy of the agency's environmental review.

(ii) If upon reviewing the affidavit the court finds that the proffered information is new, material, and significant evidence that was not publicly available before the agency's decision and that is relevant to the decision or to the adequacy of the agency's environmental review, the court shall remand the new evidence to the agency for the agency's consideration and an opportunity to modify its decision or environmental review before the court considers the evidence as a part of the administrative record under review.

(iii) If the court finds that the information in the affidavit does not meet the requirements of subsection (6)(b)(i), the court may not remand the matter to the agency or consider the proffered information in making its decision.

(c) The remedy in any action brought for failure to comply with or for inadequate compliance with a requirement of parts 1 through 3 of this chapter is limited to remand to the agency to correct deficiencies in the environmental review conducted pursuant to subsection (1).

(d) A permit, license, lease, or other authorization issued by an agency is valid and may not be enjoined, voided, nullified, revoked, modified, or suspended pending the completion of an environmental review that may be remanded by a court.

(e) An individual or entity seeking a lease, permit, license, certificate, or other entitlement or authority to act may intervene in a lawsuit in court challenging a decision or statement by a department or agency of the state as a matter of right if the individual or entity has not been named as a defendant.

(f) Attorney fees or costs may not be awarded to the prevailing party in an action alleging noncompliance or inadequate compliance with a requirement of parts 1 through 3.

(7) For purposes of judicial review, to the extent that the requirements of this section are inconsistent with the provisions of the National Environmental Policy Act, the requirements of this section apply to an environmental review or any severable portion of an environmental review within the state's jurisdiction that is being prepared by a state agency pursuant to this part in conjunction with a federal agency proceeding pursuant to the National Environmental Policy Act.

(7)(8) The director of the agency responsible for the determination or recommendation shall endorse in writing any determination of significance made under subsection (1)(b)(iv) or any recommendation that a determination of significance be made.

(8)(9) A project sponsor may request a review of the significance determination or recommendation made under subsection (7) (8) by the appropriate board, if any. The appropriate board may, at its discretion, submit an advisory recommendation to the agency regarding the issue. The period of time between the request for a review and completion of a review under this subsection may not be included for the purposes of determining compliance with the time limits established for environmental review in 75-1-208."

- (ii) an agency reviewing an application for a project that is not a state-sponsored project to the extent that the review is required by law, rule, or regulation; or
- (iii) a state agency and a federal agency to the extent the review is required by the federal agency.

(2)(3) The department of public service regulation, in the exercise of its regulatory authority over rates and charges of railroads, motor carriers, and public utilities, is exempt from the provisions of parts 1 through 3.

~~(3) (a) In any action challenging or seeking review of an agency's decision that a statement pursuant to subsection (1)(b)(iv) is not required or that the statement is inadequate, the burden of proof is on the person challenging the decision. Except as provided in subsection (3)(b), in a challenge to the adequacy of a statement, a court may not consider any issue relating to the adequacy or content of the agency's environmental review document or evidence that was not first presented to the agency for the agency's consideration prior to the agency's decision. A court may not set aside the agency's decision unless it finds that there is clear and convincing evidence that the decision was arbitrary or capricious or not in compliance with law. A customer fiscal impact analysis pursuant to 69-2-216 or an allegation that the customer fiscal impact analysis is inadequate may not be used as the basis of any action challenging or seeking review of the agency's decision.~~

~~(b) When new, material, and significant evidence or issues relating to the adequacy or content of the agency's environmental review document are presented to the district court that had not previously been presented to the agency for its consideration, the district court shall remand the new evidence or issue relating to the adequacy or content of the agency's environmental review document back to the agency for the agency's consideration and an opportunity to modify its findings of fact and administrative decision before the district court considers the evidence or issue relating to the adequacy or content of the agency's environmental review document within the administrative record under review. Immaterial or insignificant evidence or issues relating to the adequacy or content of the agency's environmental review document may not be remanded to the agency. The district court shall review the agency's findings and decision to determine whether they are supported by substantial, credible evidence within the administrative record under review.~~

~~(4) To the extent that the requirements of subsections (1)(b)(iv)(C)(I) and (1)(b)(iv)(C)(III) are inconsistent with federal requirements, the requirements of subsections (1)(b)(iv)(C)(I) and (1)(b)(iv)(C)(III) do not apply to an environmental review that is being prepared by a state agency~~

~~pursuant to this part and a federal agency pursuant to the National Environmental Policy Act or to an environmental review that is being prepared by a state agency to comply with the requirements of the National Environmental Policy Act.~~

~~(5)(4)~~ (a) The agency may not withhold, deny, or impose conditions on any permit or other authority to act based on parts 1 through 3 of this chapter.

(b) Nothing in this subsection ~~(5)~~ (4) prevents a project sponsor and an agency from mutually developing measures that may, at the request of a project sponsor, be incorporated into a permit or other authority to act.

(c) Parts 1 through 3 of this chapter do not confer authority to an agency that is a project sponsor to modify a proposed project or action.

~~(6)(5)~~ (a) (i) A challenge to an agency action under this part may only be brought against a final agency action and may only be brought in district court or in federal court, whichever is appropriate.

(ii) Any action or proceeding challenging a final agency action alleging failure to comply with or inadequate compliance with a requirement under this part must be brought within 60 days of the action that is the subject of the challenge.

(iii) For an action taken by the board of land commissioners or the department of natural resources and conservation under Title 77, "final agency action" means the date that the board of land commissioners or the department of natural resources and conservation issues a final environmental review document under this part or the date that the board approves the action that is subject to this part, whichever is later.

(b) Any action or proceeding under subsection ~~(6)(a)(ii)~~ (5)(a)(ii) must take precedence over other cases or matters in the district court unless otherwise provided by law.

(c) Any judicial action or proceeding brought in district court under subsection ~~(6)(a)~~ (5)(a) involving an equine slaughter or processing facility must comply with 81-9-240 and 81-9-241.

(6) (a) (i) In an action alleging noncompliance or inadequate compliance with a requirement of parts 1 through 3, including a challenge to an agency's decision that an environmental review is not required or a claim that the environmental review is inadequate, the agency shall compile and submit to the court the certified record of its decision at issue, and except as provided in subsection (6)(b), the person challenging the decision has the burden of proving the claim by clear and convincing evidence contained in the record.

(ii) Except as provided in subsection (6)(b), in a challenge to the agency's decision or the adequacy of an environmental review, a court may not consider any information, including but not limited to an issue, comment, argument, proposed alternative, analysis, or evidence, that was not first presented to the agency for the agency's consideration prior to the agency's decision or within the time allowed for comments to be submitted.

(iii) Except as provided in subsection (6)(b), the court shall confine its review to the record certified by the agency. The court shall affirm the agency's decision or the environmental review unless the court specifically finds that the agency's decision was arbitrary and capricious or was otherwise not in accordance with law.

(iv) A customer fiscal impact analysis pursuant to 69-2-216 or an allegation that the customer fiscal impact analysis is inadequate may not be used as the basis of an action challenging or seeking review of the agency's decision.

(b) (i) When a party challenging the decision or the adequacy of the environmental review or decision presents information not in the record certified by the agency, the challenging party shall certify under oath in an affidavit that the information is new, material, and significant evidence

that was not publicly available before the agency's decision and that is relevant to the decision or the adequacy of the agency's environmental review.

(ii) If upon reviewing the affidavit the court finds that the proffered information is new, material, and significant evidence that was not publicly available before the agency's decision and that is relevant to the decision or to the adequacy of the agency's environmental review, the court shall remand the new evidence to the agency for the agency's consideration and an opportunity to modify its decision or environmental review before the court considers the evidence as a part of the administrative record under review.

(iii) If the court finds that the information in the affidavit does not meet the requirements of subsection (6)(b)(i), the court may not remand the matter to the agency or consider the proffered information in making its decision.

(c) (i) The remedies provided in this section for successful challenges to a decision of the agency or the adequacy of the statement are exclusive.

(ii) Notwithstanding the provisions of 27-19-201 and 27-19-314, a court having considered the pleadings of parties and intervenors opposing a request for a temporary restraining order, preliminary injunction, permanent injunction, or other equitable relief may not enjoin the issuance or effectiveness of a license or permit or a part of a license or permit issued pursuant to Title 75 or Title 82 unless the court specifically finds that the party requesting the relief is more likely than not to prevail on the merits of its complaint given the uncontroverted facts in the record and applicable law and, in the absence of a temporary restraining order, a preliminary injunction, a permanent injunction, or other equitable relief, that the:

(A) party requesting the relief will suffer irreparable harm in the absence of the relief;

(B) issuance of the relief is in the public interest. In determining whether the grant of the relief is in the public interest, a court:

(I) may not consider the legal nature or character of any party; and

(II) shall consider the implications of the relief on the local and state economy and make written findings with respect to both.

(C) relief is as narrowly tailored as the facts allow to address both the alleged noncompliance and the irreparable harm the party asking for the relief will suffer. In tailoring the relief, the court shall ensure, to the extent possible, that the project or as much of the project as possible can go forward while also providing the relief to which the applicant has been determined to be entitled.

(d) The court may issue a temporary restraining order, preliminary injunction, permanent injunction, or other injunctive relief only if the party seeking the relief provides a written undertaking to the court in an amount reasonably calculated by the court as adequate to pay the costs and damages sustained by any party that may be found to have been wrongfully enjoined or restrained by a court through a subsequent judicial decision in the case. If the party seeking an injunction or a temporary restraining order objects to the amount of the written undertaking for any reason, including but not limited to its asserted inability to pay, that party shall file an affidavit with the court that states the party's income, assets, and liabilities in order to facilitate the court's consideration of the amount of the written undertaking that is required. The affidavit must be served on the party enjoined.

(e) An individual or entity seeking a lease, permit, license, certificate, or other entitlement or authority to act may intervene in a lawsuit in court challenging a decision or statement by a department or agency of the state as a matter of right if the individual or entity has not been named as a defendant.

HOUSE JOURNAL
SEVENTY-SIXTH LEGISLATIVE DAY - APRIL 5, 2011

(f) Attorney fees or costs may not be awarded to the prevailing party in an action alleging noncompliance or inadequate compliance with a requirement of parts 1 through 3.

(7) For purposes of judicial review, to the extent that the requirements of this section are inconsistent with the provisions of the National Environmental Policy Act, the requirements of this section apply to an environmental review or any severable portion of an environmental review within the state's jurisdiction that is being prepared by a state agency pursuant to this part in conjunction with a federal agency proceeding pursuant to the National Environmental Policy Act.

~~(7)~~(8) The director of the agency responsible for the determination or recommendation shall endorse in writing any determination of significance made under subsection (1)(b)(iv) or any recommendation that a determination of significance be made.

~~(8)~~(9) A project sponsor may request a review of the significance determination or recommendation made under subsection ~~(7)~~ (8) by the appropriate board, if any. The appropriate board may, at its discretion, submit an advisory recommendation to the agency regarding the issue. The period of time between the request for a review and completion of a review under this subsection may not be included for the purposes of determining compliance with the time limits established for environmental review in 75-1-208."

MESSAGES FROM THE SENATE

House bill not concurred in and returned to the House:

HB 206, introduced by MacLaren

MESSAGES FROM THE GOVERNOR

April 4, 2011

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

Dear President Peterson and Speaker Milburn:

STATE INTERNET/BBS COPY

HOUSE JOURNAL
SEVENTY-SIXTH LEGISLATIVE DAY - APRIL 5, 2011

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto Senate Bill 176, **"AN ACT PROHIBITING QUALIFIED HEALTH INSURANCE PLANS OFFERED THROUGH A HEALTH INSURANCE EXCHANGE IN MONTANA FROM COVERING ABORTION SERVICES"** for the following reasons. I issue this veto because I have been advised that SB 176 is unconstitutional under Montana's constitutional guarantee of individual privacy.

Unlike the federal constitution, Article II, section 10 of the Montana Constitution guarantees Montanans an express right of privacy. The Montana Supreme Court has held, unequivocally, that the state constitutional right of privacy embraces the right of a woman to decide whether to have an abortion. *Armstrong v. State*, 1999 MT 261. I have been advised that SB 176 infringes upon the right of privacy and a woman's right to access reproductive health care found in the Montana Constitution, and for this reason is unconstitutional.

Senate Bill 176 implements a provision of the federal health care reform act related to insurance plans offered through health insurance exchanges, which will be launched in 2014. The federal act authorizes states to prohibit abortion coverage in health insurance plans offered through an exchange in their state (the "opt-out" provision). SB 176 is Montana lawmakers' attempt to implement the "opt-out" provision in Montana. It must be mentioned, also, that payment for a "rider" to a health insurance plan offered through an exchange would lie solely with the consumer purchasing the plan. It is not paid for by the federal government or with federal or state funds.

While the federal health care reform act gives states the option whether to exclude abortion coverage from all health insurance plans offered through an exchange, when Montana exercises its discretion, the state is bound by the requirements of Montana's own Constitution.

The Montana Supreme Court stated in *Armstrong*: "[T]he State has no more compelling interest or constitutional justification for interfering with the exercise of this right [of a woman to terminate her pre-viability pregnancy] than it would if she chose to carry the fetus to term. . . . [I]f the State has the power to infringe the right of procreative autonomy in favor of birth, then, necessarily, it also has the power to require abortion under some circumstances." *Id.* at ¶ 49.

Montana case law could not be clearer. Under that case law, I have been advised that SB 176 is unconstitutional. It would be a waste of taxpayer's money and the State's resources to sign a bill that is unconstitutional and subject the State and other parties to unnecessary litigation. It is for this reason that I have chosen to veto SB 176.

Each of us holds deep and differing opinions on the subject of abortion, including the circumstances under which either an abortion, itself, or government regulation of abortion is appropriate. However, given my obligation to uphold the Montana Constitution, and where legal counsel has advised me that SB 176 is unconstitutional, I believe I have no choice but to veto the bill.

HOUSE JOURNAL
SEVENTY-SIXTH LEGISLATIVE DAY - APRIL 5, 2011

I respectfully ask that you sustain my veto of SB 176 for the same reasons.

Sincerely,

BRIAN SCHWEITZER
Governor

An adequate source of ammunition is an indivisible and essential part of the right to bear arms. The people of Montana are totally dependent upon a very few manufacturers of smokeless propellant, small arms primers, and cartridge cases located in other states for small arms ammunition used in Montana.

(l) contributions withdrawn from a family education savings account or earnings withdrawn from a family education savings account for qualified higher education expenses, as defined in 15-62-103, of a designated beneficiary;

(m) the recovery during the tax year of any amount deducted in any prior tax year to the extent that the recovered amount did not reduce the taxpayer's Montana income tax in the year deducted;

(3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security

benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) Married taxpayers filing a joint federal return who are allowed a capital loss deduction under section 1211 of the Internal Revenue Code, 26 U.S.C. 1211, and who file separate Montana income tax returns may claim the same amount of the capital loss deduction that is allowed on the federal return. If the allowable capital loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the loss must be split equally on each return.

(7) In the case of passive and rental income losses, married taxpayers filing a joint federal return and who file separate Montana income tax returns are not required to recompute allowable passive losses according to the federal passive activity rules for married taxpayers filing separately under section 469 of the Internal Revenue Code, 26 U.S.C. 469. If the allowable passive loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the loss must be split equally on each return.

(8) Married taxpayers filing a joint federal return in which one or both of the taxpayers are allowed a deduction for an individual retirement contribution under section 219 of the Internal Revenue Code, 26 U.S.C. 219, and who file separate Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return. The deduction must be attributed to the spouse who made the contribution.

(9) (a) Married taxpayers filing a joint federal return who are allowed a deduction for interest paid for a qualified education loan under section 221 of the Internal Revenue Code, 26 U.S.C. 221, and who file separate Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return. The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted gross income.

(b) Married taxpayers filing a joint federal return who are allowed a deduction for qualified tuition and related expenses under section 222 of the Internal Revenue Code, 26 U.S.C. 222, and who file separate Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return. The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted gross income.

(10) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to \$100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion exceeds \$15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(11) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of \$3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being

made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

(12) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection (12)(a)(iv), not to exceed \$5,000, from the taxpayer's adjusted gross income if the taxpayer:

- (i) is a health care professional licensed in Montana as provided in Title 37;
- (ii) is serving a significant portion of a designated geographic area, special population, or facility population in a federally designated health professional shortage area, a medically underserved area or population, or a federal nursing shortage county as determined by the secretary of health and human services or by the governor;
- (iii) has had a student loan incurred as a result of health-related education; and
- (iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan repayment program described in subsection (12)(b) as an incentive to practice in Montana.

(b) For the purposes of subsection (12)(a), a loan repayment program includes a federal, state, or qualified private program. A qualified private loan repayment program includes a licensed health care facility, as defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility as a licensed health care professional.

(13) Notwithstanding the provisions of subsection (1), adjusted gross income does not include 40% of capital gains on the sale or exchange of capital assets before December 31, 1986, as capital gains are determined under subchapter P. of Chapter 1 of the Internal Revenue Code as it read on December 31, 1986.

(14) By November 1 of each year, the department shall multiply the amount of pension and annuity income contained in subsection (2)(c)(i) and the federal adjusted gross income amounts in subsection (2)(c)(ii) by the inflation factor for that tax year, but using the year 2009 consumer price index, and rounding the results to the nearest \$10. The resulting amounts are effective for that tax year and must be used as the basis for the exemption determined under subsection (2)(c). (Subsection (2)(f) terminates on occurrence of contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency--sec. 9, Ch. 262, L. 2001.)"

"15-1-121. Entitlement share payment -- purpose -- appropriation. (1) As described in 15-1-120(3), each local government is entitled to an annual amount that is the replacement for revenue received by local governments for diminishment of property tax base and various earmarked fees and other revenue that, pursuant to Chapter 574, Laws of 2001, amended by section 4, Chapter 13, Special Laws of August 2002, and later enactments, were consolidated to provide aggregation of certain reimbursements, fees, tax collections, and other revenue in the state treasury with each local government's share. The reimbursement under this section is provided by direct payment from the state treasury rather than the ad hoc system that offset certain state payments with local government collections due the state and reimbursements made by percentage splits, with a local government remitting a portion of collections to the state, retaining a portion, and in some cases sending a portion to other local governments. The amount calculated pursuant to this subsection, as adjusted pursuant to subsection (3)(a)(i), is each local government's base entitlement share. The department shall estimate the total amount of revenue that each local government received from the following sources for the fiscal year ending June 30, 2001:

~~(2) (a) From the amounts estimated in subsection (1) for each county government, the department shall deduct fiscal year 2001 county government expenditures for district courts, less reimbursements for district court expenses, and fiscal year 2001 county government expenditures for public welfare programs to be assumed by the state in fiscal year 2002.~~

~~(b)(3) The total amount estimated pursuant to subsections (1) and (2)(a) received by each local government in fiscal year 2010 as an entitlement share payment under this section is the base component for the fiscal year 2011 distribution, and in each subsequent year the prior year entitlement share payment, including any reimbursement payments received pursuant to subsection (7), is each local government's base year component. (ii)(i) The department shall calculate the average annual growth rate of the Montana gross state product, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

—— (A) the last 4 calendar years for which the information has been published; and
—— (B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(ii)(A).

(iii)(ii) The department shall calculate the average annual growth rate of Montana personal income, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

—— (A) the last 4 calendar years for which the information has been published; and
—— (B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(iii)(A).

(b) (i) The entitlement share pool growth rate for the first each year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(B) (4)(a)(i) and (3)(a)(iii)(B) (4)(a)(ii):

(A)(i) for counties, 54%;

(B)(ii) for consolidated local governments, 62%; and

(C)(iii) for incorporated cities and towns, 70%.

(ii) The entitlement share pool growth rate for the second year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(A) and (3)(a)(iii)(A):

—— (A) for counties, 54%;

—— (B) for consolidated local governments, 62%; and

—— (C) for incorporated cities and towns, 70%.

(4)(5) As used in this section, "local government" means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (6) (8). For purposes of calculating the base year component for a county or consolidated local government, the department shall include the revenue listed in subsection (1) for all special districts within the county or consolidated local government. The county or consolidated local government is responsible for making an allocation from the county's or consolidated local government's share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district's loss of revenue sources listed in subsection (1) for which reimbursement is provided in this section.

(5)(6) (a) The entitlement share pools calculated in this section and the block grants funding provided for in subsection (6)(8) are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments. Each local

~~government is entitled to a pro rata share of each year's entitlement share pool based on the local government's base component in relation to the base year entitlement share pool. The distributions must be made on a quarterly basis.~~

(b) (i) The growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. ~~For the purposes of subsection (5)(b)(ii)(A), a county with a negative base year component has a base year component of zero.~~ The growth factor in the entitlement share must be calculated separately for:

- (A) counties;
- (B) consolidated local governments; and
- (C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county's percentage of the ~~base~~ prior fiscal year entitlement share pool for all counties; and

(B) 50% of the growth amount must be allocated based upon the percentage that each county's population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each consolidated local government's percentage of the ~~base~~ prior fiscal year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government's population bears to the state's total population residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each incorporated city's or town's percentage of the ~~base~~ prior fiscal year entitlement share pool for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage that each city's or town's population bears to the state's total population residing within incorporated cities and towns as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool ~~not represented by~~ before the growth amount or adjustments made under subsection (7) are applied is to be distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

(7) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this section, the department shall determine the reimbursement amount as provided in the enactment and add the appropriate amount to the entitlement share distribution under this section. The total entitlement share distributions in a fiscal year, including distributions made pursuant to this subsection, equal the local fiscal year entitlement share pool. The ratio of each

local government's distribution from the entitlement share pool must be recomputed to determine each local government's ratio to be used in the subsequent year's distribution determination under subsections (6)(b)(ii)(A), (6)(b)(iii)(A), and (6)(b)(iv)(A).

~~(6)(8)~~ (a) If a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any ~~block grant funding~~. If a tax increment financing district referred to in subsection ~~(6)(b)~~ (8)(b) terminates, then the ~~block grant funding~~ for the district provided for in subsection ~~(6)(b)~~ (8)(b) terminates.

(b) One-half of the payments provided for in this subsection ~~(6)(b)~~ (8)(b) must be made by November 30 and the other half by May 31 of each year. Subject to subsection ~~(6)(a)~~ (8)(a), the entitlement share for tax increment financing districts is as follows:

~~(7)(9)~~ The estimated ~~base~~ fiscal year entitlement share pool and any subsequent entitlement share pool for local governments do not include revenue received from tax increment financing districts, from countywide transportation block grants, or from countywide retirement block grants.

~~(8)~~ (a) If ~~revenue that is included in the sources listed in subsections (1)(b) through (1)(o) is significantly reduced, except through legislative action, the department shall deduct the amount of revenue loss from the entitlement share pool beginning in the succeeding fiscal year and the department shall work with local governments to propose legislation to adjust the entitlement share pool to reflect an allocation of the loss of revenue.~~

~~(b) For the purposes of subsection (8)(a), a significant reduction is a loss that causes the amount of revenue received in the current year to be less than 95% of the amount of revenue received in the base year.~~

~~(9)(10)~~ A three-fifths vote of each house of the legislature is required to reduce the amount of the entitlement share calculated pursuant to subsections (1) through ~~(3)~~ (4).

~~(10)(11)~~ When there has been an underpayment of a local government's share of the entitlement share pool, the department shall distribute the difference between the underpayment and the correct amount of the entitlement share. ~~(11)(12)~~ A local government may appeal the department's estimation of the ~~base year~~ component, the entitlement share pool growth rate, or a local government's allocation of the entitlement share pool, according to the uniform dispute review procedure in 15-1-211.

"15-10-420. Procedure for calculating levy. (1) (a) Subject to the provisions of this section, a governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount of property taxes actually assessed in the prior year plus one-half of the average rate of inflation for the prior 3 years. The maximum number of mills that a governmental entity may impose is established by calculating the number of mills required to generate the amount of property tax actually assessed in the governmental unit in the prior year based on the current year taxable value, less the current year's value of newly taxable property, plus one-half of the average rate of inflation for the prior 3 years.

(b) A governmental entity that does not impose the maximum number of mills authorized under subsection (1)(a) may carry forward the authority to impose the number of mills equal to the difference between the actual number of mills imposed and the maximum number of mills authorized to be imposed. The mill authority carried forward may be imposed in a subsequent tax year.

(c) For the purposes of subsection (1)(a), the department shall calculate one-half of the average rate of inflation for the prior 3 years by using the consumer price index, U.S. city average, all urban consumers, using the 1982-84 base of 100, as published by the bureau of labor statistics of the United States department of labor.

(2) A governmental entity may apply the levy calculated pursuant to subsection (1)(a) plus any additional levies authorized by the voters, as provided in 15-10-425, to all property in the governmental unit, including newly taxable property.

(3) (a) For purposes of this section, newly taxable property includes:

- (i) annexation of real property and improvements into a taxing unit;
- (ii) construction, expansion, or remodeling of improvements;
- (iii) transfer of property into a taxing unit;
- (iv) subdivision of real property; and
- (v) transfer of property from tax-exempt to taxable status.

(b) Newly taxable property does not include an increase in value that arises because of an increase in the incremental value within a tax increment financing district.

(4) (a) For the purposes of subsection (1), the taxable value of newly taxable property includes the release of taxable value from the incremental taxable value of a tax increment financing district because of:

- (i) a change in the boundary of a tax increment financing district;
- (ii) an increase in the base value of the tax increment financing district pursuant to 7-15-4287; or
- (iii) the termination of a tax increment financing district.

HOUSE JOURNAL
SEVENTY-SIXTH LEGISLATIVE DAY - APRIL 5, 2011

(b) If a tax increment financing district terminates prior to the certification of taxable values as required in 15-10-202, the increment value is reported as newly taxable property in the year in which the tax increment financing district terminates. If a tax increment financing district terminates after the certification of taxable values as required in 15-10-202, the increment value is reported as newly taxable property in the following tax year.

(c) For the purpose of subsection (3)(a)(ii), the value of newly taxable class four property that was constructed, expanded, or remodeled property since the completion of the last reappraisal cycle is the current year market value of that property less the previous year market value of that property.

(d) For the purpose of subsection (3)(a)(iv), the subdivision of real property includes the first sale of real property that results in the property being taxable as class four property under 15-6-134 or as nonqualified agricultural land as described in 15-6-133(1)(c).

(5) Subject to subsection (8), subsection (1)(a) does not apply to:

(a) school district levies established in Title 20; or

(b) a mill levy imposed for a newly created regional resource authority.

(6) For purposes of subsection (1)(a), taxes imposed do not include net or gross proceeds taxes received under 15-6-131 and 15-6-132.

(7) In determining the maximum number of mills in subsection (1)(a), the governmental entity:

(a) may increase the number of mills to account for a decrease in reimbursements; and

(b) may not increase the number of mills to account for a loss of tax base because of legislative action that is reimbursed under the provisions of 15-1-121(7).

(8) The department shall calculate, on a statewide basis, the number of mills to be imposed for purposes of 15-10-108, 20-9-331, 20-9-333, 20-9-360, and 20-25-439. However, the number of mills calculated by the department may not exceed the mill levy limits established in those sections. The mill calculation must be established in tenths of mills. If the mill levy calculation does not result in an even tenth of a mill, then the calculation must be rounded up to the nearest tenth of a mill.

(9) (a) The provisions of subsection (1) do not prevent or restrict:

(i) a judgment levy under 2-9-316, 7-6-4015, or 7-7-2202;

(ii) a levy to repay taxes paid under protest as provided in 15-1-402;

(iii) an emergency levy authorized under 10-3-405, 20-9-168, or 20-15-326;

(iv) a levy for the support of a study commission under 7-3-184;

(v) a levy for the support of a newly established regional resource authority; or

(vi) the portion that is the amount in excess of the base contribution of a governmental entity's property tax levy for contributions for group benefits excluded under 2-9-212 or 2-18-703.

(b) A levy authorized under subsection (9)(a) may not be included in the amount of property taxes actually assessed in a subsequent year.

(10) A governmental entity may levy mills for the support of airports as authorized in 67-10-402, 67-11-301, or 67-11-302 even though the governmental entity has not imposed a levy for the airport or the airport authority in either of the previous 2 years and the airport or airport authority has not been appropriated operating funds by a county or municipality during that time.

HOUSE JOURNAL
SEVENTY-SIXTH LEGISLATIVE DAY - APRIL 5, 2011

(11) The department may adopt rules to implement this section. The rules may include a method for calculating the percentage of change in valuation for purposes of determining the elimination of property, new improvements, or newly taxable property in a governmental unit.""

(i) the revenue received by each district in fiscal year 2001 from vehicle taxes and fees, corporate license taxes paid by financial institutions, aeronautics fees, state land payments in lieu of taxes, and property tax reimbursements pursuant to sections 167(1) through (5) and 169(6), Chapter 584, Laws of 1999; and

(ii) any reimbursement to be made to a school district pursuant to subsection (2).

(b) Block grants must be calculated using the electronic reporting system that is used by the office of public instruction and school districts. The electronic reporting system must be used to allocate the block grant amount into each district's budget as an anticipated revenue source by fund.

~~(c) With the exception of vehicle taxes and fees, the office of public instruction shall use the amount actually received from the sources listed in subsection (1)(a) in fiscal year 2001 in its calculation of the block grant for fiscal year 2002 budgeting purposes. School districts shall anticipate the prorated block grant amounts provided by the office of public instruction in their budgets for fiscal year 2003.~~

(2) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this section, the office of public instruction shall determine the reimbursement amount as provided in the enactment and add the appropriate amount to block grant distributions under this section. The total of reimbursement distributions made pursuant to this subsection in a fiscal year must be added to all other distributions to the school district in the fiscal year to determine the distribution for the subsequent fiscal year. The block grant percentage increases in subsections (4)(a) through (4)(c) do not apply to reimbursements made under this subsection for the fiscal year of the first reimbursement but do apply to the block grant amounts in subsequent fiscal years that incorporate reimbursements added in previous fiscal years. SEVENTY-EIGHTH LEGISLATIVE DAY - APRIL 7, 2011

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 90, **"AN ACT GENERALLY REVISING MONTANA MORTGAGE LAWS; CHANGING THE NAME OF THE MONTANA MORTGAGE BROKER, MORTGAGE LENDER, AND MORTGAGE LOAN ORIGINATOR LICENSING ACT TO THE MONTANA MORTGAGE ACT; REVISING DEFINITIONS; DEFINING AND PROVIDING FOR THE LICENSING AND REGULATION OF MORTGAGE SERVICERS; REVISING THE MONTANA MORTGAGE ACT TO CONFORM TO FEDERAL LAW; REVISING APPLICATION AND LICENSING REQUIREMENTS; REDUCING THE REQUIRED HOURS FOR CONTINUING EDUCATION; REVISING RECORDKEEPING AND REPORTING REQUIREMENTS; REVISING BONDING REQUIREMENTS; REVISING DISCLOSURE REQUIREMENTS; PROHIBITING CERTAIN ACTS BY MORTGAGE LENDERS AND MORTGAGE SERVICERS; EXPANDING THE DEPARTMENT OF ADMINISTRATION'S RULEMAKING AUTHORITY; AMENDING SECTIONS 31-1-202, 32-5-102, 32-7-103, 32-9-101, 32-9-102, 32-9-103, 32-9-104, 32-9-105, 32-9-106, 32-9-107, 32-9-112, 32-9-113, 32-9-116, 32-9-117, 32-9-118, 32-9-120, 32-9-121, 32-9-122, 32-9-123, 32-9-124, 32-9-125, 32-9-126, 32-9-128, 32-9-129, 32-9-130, 32-9-133, 32-9-145, 32-9-148, 32-9-150, 32-9-151, AND 32-9-160, MCA; AND REPEALING SECTIONS 32-9-114 AND 32-9-127, MCA"** for the following reasons.

HB 90, by request of the Department of Administration, generally revises Montana's mortgage laws primarily for purposes of conformity with federal law. The Board of Governors of the Federal Reserve System issued final rules, effective April 5, 2011, regarding mortgage loan originator compensation, and my proposed amendments are intended to conform with those rules. Without these amendments, HB 90 in its current form would conflict with the newly adopted federal rules, the goal of which is to make the loan origination process clearer and easier for consumers to understand. The final rules provide that if a loan originator is compensated by a consumer directly, no other person may pay any compensation to the loan originator for that transaction. Additionally, the final rules prohibit any person from compensating a loan originator directly or indirectly based on the terms or conditions of the loan secured by a dwelling. See 12 C.F.R. 226.36.

Finally, my proposed amendments grant the Department of Administration rulemaking authority to prescribe the form of the written disclosure to the borrower. The Board of Governors of the Federal Reserve has indicated it soon will undertake several more rulemakings to implement the Dodd Frank Wall Street Reform and Consumer Protection Act. Some of the proposed rules have been noticed, but others have not. Granting the Department flexibility to adopt rules consistent with the federal rulemaking changes will provide the flexibility necessary to the mortgage broker industry and to consumers.

HOUSE JOURNAL
SEVENTY-EIGHTH LEGISLATIVE DAY - APRIL 7, 2011

Representative McNutt, the sponsor of the bill, has indicated he will support the proposed amendments. I thank you in advance for your support, as well.

Governor

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 333, **"AN ACT REQUIRING THE DEPARTMENT OF REVENUE TO INCLUDE SALES OF RESIDENTIAL PROPERTY THAT HAS BEEN SOLD BECAUSE OF NONPAYMENT OF MORTGAGE WHEN USING THE COMPARABLE SALES METHOD OF DETERMINING MARKET VALUE OF RESIDENTIAL PROPERTY; ESTABLISHING REQUIREMENTS FOR INCLUDING THE SALES IN THE COMPARABLE SALES METHOD; AMENDING SECTIONS 15-7-307 AND 15-8-111, MCA; AND PROVIDING AN APPLICABILITY DATE"** for the following reasons.

HOUSE JOURNAL
SEVENTY-EIGHTH LEGISLATIVE DAY - APRIL 7, 2011

HB 333 creates a new definition of the term "market value" by requiring the Department of Revenue to consider foreclosure sales, "short sales," and other distressed real estate transactions in its appraisals of the value of residential property. I agree that distressed sales should be accorded some weight, and, in fact, industry standards require consideration of such sales. However, those industry standards, promulgated by the International Association of Assessing Officers, require consideration of distressed sales in market-wide residential property reappraisal when such sales comprise at least 20% of sales. HB 333, as delivered to me, triggers consideration of distressed sales when such sales constitute 5% of the market. This low threshold for the consideration of distressed sales does not conform with industry standards, which are developed to ensure fairness, equity, and integrity of mass appraisal valuations of property, such as those performed by a state government conducting large-scale property valuations.

I respectfully ask the Legislature to give favorable consideration to my proposed amendments.

Sincerely,

BRIAN SCHWEITZER
Governor

HOUSE JOURNAL
SEVENTY-EIGHTH LEGISLATIVE DAY - APRIL 7, 2011

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 559, **"AN ACT PROVIDING THAT SMALL AND SEASONAL ESTABLISHMENTS SUCH AS GUEST RANCHES AND OUTFITTING AND GUIDE FACILITIES ARE SUBJECT TO VOLUNTARY GUIDELINES ADDRESSING BASIC HEALTH STANDARDS RATHER THAN REGULATIONS; CLARIFYING THE METHOD OF ESTABLISHING THE AVERAGE NUMBER OF GUESTS PER DAY FOR SEASONAL AND SMALL ESTABLISHMENTS; AND AMENDING SECTIONS 50-51-101, 50-51-102, 50-51-103, 50-51-201, AND 50-51-401, MCA"** for the following reasons.

HB 559 eliminates the Department of Public Health and Human Services (DPHHS') rulemaking authority with respect to basic health standards applicable to small and seasonal guest ranches and, instead, authorizes DPHHS to adopt voluntary guidelines for these facilities. The bill was a result of the difficulty that has existed in establishing a statewide program providing uniform regulation of small and seasonal guest ranches.

I am concerned, however, that rather than trying to resolve some of the difficulties in establishing rules under current law, the solution found in HB 559 is to direct that the state's basic public health standards applicable to these entities be voluntary "guidelines," only.

My proposed amendment makes it clear that, even if HB 559 becomes law and DPHHS adopts voluntary "guidelines," local governments retain the power to adopt enforceable ordinances, or laws, establishing public health standards applicable to small and seasonal establishments. I understand there has been some confusion among local governments as to their authority, and my amendment is intended to eliminate the confusion. My amendment also makes clear that under current law, where DPHHS adopts administrative rules (not ordinances) governing other public accommodations, such as, for example, hotels, motels, and bed and breakfasts, a local government may adopt an ordinance so long as the ordinance is the same or more stringent than the rule adopted by DPHHS. Again, these amendments affirm what is already the law in Title 7 of the Montana Code Annotated concerning the powers of local governments.

I respectfully ask the Legislature to give favorable consideration to my proposed amendments.

Sincerely,

BRIAN SCHWEITZER
Governor

MESSAGES FROM THE GOVERNOR

April 7, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 531, "**AN ACT REVISING THE CIVIL LIABILITY PROVISIONS FOR MULTIPLE DEFENDANTS; CLARIFYING THE PROCESS FOR MULTIPLE DEFENDANTS IN AN ACTION FOR NEGLIGENCE FOLLOWING THE SETTLEMENT OR RELEASE FROM LIABILITY OF A PERSON; AMENDING SECTION 27-1-703, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE**" for the following reasons.

My objections to HB 531 are two-fold. The bill takes an already complicated statute, Mont. Code Ann. § 27-1-703, governing the apportionment of damages in civil tort actions involving multiple defendants and makes it far more complicated. I suspect that the existing statute, itself, is understood by only a few judges and civil trial lawyers -- plaintiff and defendant. This statute has undergone many conversions and been amended heavily over the years. The prior

HOUSE JOURNAL
SEVENTY-NINTH LEGISLATIVE DAY - APRIL 8, 2011

version of this statute was challenged successfully on constitutional grounds, but the current version has been in effect since 1997. I do not believe there is any reason to amend the statute now.

Additionally, I fundamentally disagree with the precepts underlying HB 531, as expressed in the "preamble" to the bill, or the "whereas" clauses. First, the "whereas" clauses state that the bill's intent is to address the high cost of health insurance in this country. The bill, however, addresses all tort litigation, only a small amount of which is medical malpractice litigation. Second, the "whereas" clauses attach blame and responsibility for our country's health care problems and health care provider shortages on our nation's legal system. I believe those remarks are unfair and inflammatory.

For these reasons, I respectfully ask you to sustain my veto of the bill.

Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Mike Milburn

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 342, "**AN ACT REVISING APPEAL BONDS IN CIVIL CASES; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE**" for the following reasons.

HB 342 establishes statutory caps on bonds that must be posted by civil litigants appealing a court judgment regardless of the amount of a court judgment. The bill was advocated by

HOUSE JOURNAL
EIGHTIETH LEGISLATIVE DAY - APRIL 11, 2011

proponents claiming the need for "tort reform" and an improved "business climate" in Montana. In hearings on the bill, however, proponents failed to cite one Montana case in which a court required an excessive bond be posted.

As many of you know, I take pride in Montana's strong business climate. Montana stands 8th in the nation in overall business climate according to Business Facilities. Last year, the U.S. Chamber of Commerce and National Chamber Foundation rated Montana as the Number One state for entrepreneurship and overall business start-up activity, and the Kauffman Foundation gave Montana a similar rating.

Turning to the content of the bill, I believe that current Montana law appropriately and fairly provides the level of bonds that must be posted when a judgment in a civil case is appealed. The amount of the bond is based on the amount of the judgment in the civil case (plus costs on appeal), thus ensuring the injured party the full amount of the remedy to which they will be entitled if the judgment is upheld on appeal. Most importantly under current law, the Montana Supreme Court already has the flexibility and discretion, "in the interests of justice," to grant relief from the bond level set by a district court. Rule 22 of the Montana Rules of Appellate Procedure.

Certainly, it is a rare case in Montana in which a civil judgment will reach the caps established in this bill. However, since I am unaware of any problems existing with the current appellate court rules pertaining to the posting of bonds, and those rules are more protective of parties who have obtained a court judgment than are the requirements in this bill, I have decided to veto HB 342. The bill is a solution searching for a problem that does not exist.

I ask for your support in sustaining my veto.
Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

HOUSE JOURNAL
EIGHTIETH LEGISLATIVE DAY - APRIL 11, 2011

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 30, **"AN ACT EXEMPTING A HEALTH CARE SHARING MINISTRY FROM REGULATION AS A DISABILITY INSURANCE COMPANY OR POLICY; DEFINING "HEALTH CARE SHARING MINISTRY"; AND AMENDING SECTION 33-1-102, MCA"** for the following reasons.

I issue this veto because I believe this legislation authorizing health care sharing ministries to operate in Montana exempt from Montana's insurance codes and without any regulatory oversight raises an array of very serious consumer protection concerns. Under HB 30, health care sharing ministries would be authorized to operate in a regulatory vacuum with no accountability. These ministries are not health insurance, but, unfortunately, and the reason they run contrary to consumer interests is that participants rely on them with a false sense of security as a substitute for their health insurance needs, unaware of the pitfalls and liabilities to which they are exposing themselves.

HB 30 establishes three minimal and undefined requirements for health care sharing ministries. It requires the ministries to: 1) provide participants a monthly list of "needs" submitted to the ministry and the actual amount "published" or "assigned" to participants, without defining those terms; 2) conduct an annual audit that is available to the public upon request; and 3) include a disclaimer on all applications, or, alternatively, distribute the disclaimer with any guidelines it distributes. The disclaimer required under HB 30 speaks volumes, but its placement and size are not subject to regulation, rendering it ineffective. These are the only legal requirements that would be imposed upon health care sharing ministries should HB 30 become law. HB 30 does not even establish an enforcement mechanism to ensure these three minimal requirements are followed.

Most profoundly, unlike insurance companies, health care sharing ministries are not required to have reserve funds to pay claims. As such, participants have no assurance of protection or recourse from the ministries in the event they have health needs and expenses. In 2007, the Montana State Auditor took legal action to protect a Montana consumer who was denied coverage by a ministry for health care expenses resulting from heart surgery. In that case, a Montana jury found the ministry to have committed fraud, violated Montana's Unfair Trade Practices Act, inflicted emotional distress, and failed to pay claims in a timely manner.

I also offer a word about the relationship between HB 30 and the federal health care reform act. The federal law exempts individuals participating in a health care sharing ministry from the individual mandate requirement, however certain conditions not contained in HB 30 must be satisfied for the federal exemption to apply. For example, the ministry must have been in existence and sharing medical expenses since December 31, 1999. Additionally, the ministry must allow members to retain their membership even after they develop a medical condition. Because these requirements are absent from HB 30, a participant in a ministry operating in Montana under HB 30 would not necessarily be exempt from the individual mandate requirements of the federal law.

HOUSE JOURNAL
EIGHTIETH LEGISLATIVE DAY - APRIL 11, 2011

Finally, I note the irony of the fact that proponents of HB 30 presented the bill as a mechanism for Montana consumers to fulfill the requirements of the federal health care reform act, while taking every opportunity throughout this legislative session to vote to reject the federal law and even prohibit its enforcement by Montana government.

In the end, my opposition to HB 30 lies in the fact that I believe it is contrary to the interests of Montana consumers. Health care sharing ministries offer no guarantees of protection when the time comes to pay members' health care costs, and we all know that health care coverage is an essential need of Montanans. While some individuals may garner some benefit from these ministries, when weighing the benefits against the pitfalls on the scale of consumer protection, I believe the balance clearly tips against sanctioning the marketing of health care ministries in Montana exempt from our state's insurance codes.

For these reasons, I respectfully ask that you sustain my veto of HB 30.

Sincerely,

BRIAN SCHWEITZER
Governor

Insert: **Section 55.** Section 15-10-420, MCA, is amended to read:

"15-10-420. Procedure for calculating levy. (1) (a) Subject to the provisions of this section, a governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount of property taxes actually assessed in the prior year plus one-half of the average rate of inflation for the prior 3 years. The maximum number of mills that a governmental entity may impose is established by calculating the number of mills required to generate the amount of property tax actually assessed in the governmental unit in the prior year based on the current year taxable value, less the current year's value of newly taxable property, plus one-half of the average rate of inflation for the prior 3 years.

(b) A governmental entity that does not impose the maximum number of mills authorized under subsection (1)(a) may carry forward the authority to impose the number of mills equal to the difference between the actual number of mills imposed and the maximum number of mills authorized to be imposed. The mill authority carried forward may be imposed in a subsequent tax year.

(c) For the purposes of subsection (1)(a), the department shall calculate one-half of the average rate of inflation for the prior 3 years by using the consumer price index, U.S. city average, all urban consumers, using the 1982-84 base of 100, as published by the bureau of labor statistics of the United States department of labor.

(2) A governmental entity may apply the levy calculated pursuant to subsection (1)(a) plus any additional levies authorized by the voters, as provided in 15-10-425, to all property in the governmental unit, including newly taxable property.

(3) (a) For purposes of this section, newly taxable property includes:

- (i) annexation of real property and improvements into a taxing unit;
- (ii) construction, expansion, or remodeling of improvements;
- (iii) transfer of property into a taxing unit;
- (iv) subdivision of real property; and
- (v) transfer of property from tax-exempt to taxable status.

(b) Newly taxable property does not include an increase in value that arises because of an increase in the incremental value within a tax increment financing district.

(4) (a) For the purposes of subsection (1), the taxable value of newly taxable property includes the release of taxable value from the incremental taxable value of a tax increment financing district because of:

- (i) a change in the boundary of a tax increment financing district;
- (ii) an increase in the base value of the tax increment financing district pursuant to 7-15-4287; or
- (iii) the termination of a tax increment financing district.

(b) If a tax increment financing district terminates prior to the certification of taxable values as required in 15-10-202, the increment value is reported as newly taxable property in the year in which the tax increment financing district terminates. If a tax increment financing district terminates after the certification of taxable values as required in 15-10-202, the increment value is reported as newly taxable property in the following tax year.

HOUSE JOURNAL
EIGHTIETH LEGISLATIVE DAY - APRIL 11, 2011

(c) For the purpose of subsection (3)(a)(ii), the value of newly taxable class four property that was constructed, expanded, or remodeled property since the completion of the last reappraisal cycle is the current year market value of that property less the previous year market value of that property.

(d) For the purpose of subsection (3)(a)(iv), the subdivision of real property includes the first sale of real property that results in the property being taxable as class four property under 15-6-134 or as nonqualified agricultural land as described in 15-6-133(1)(c).

(5) Subject to subsection (8), subsection (1)(a) does not apply to:

(a) school district levies established in Title 20; or

(b) a mill levy imposed for a newly created regional resource authority.

(6) For purposes of subsection (1)(a), taxes imposed do not include net or gross proceeds taxes received under 15-6-131 and 15-6-132.

(7) In determining the maximum number of mills in subsection (1)(a), the governmental entity may increase the number of mills to account for a decrease in reimbursements.

(8) The department shall calculate, on a statewide basis, the number of mills to be imposed for purposes of 15-10-108, ~~20-9-331~~, ~~20-9-333~~, 20-9-360, and 20-25-439. However, the number of mills calculated by the department may not exceed the mill levy limits established in those sections. The mill calculation must be established in tenths of mills. If the mill levy calculation does not result in an even tenth of a mill, then the calculation must be rounded up to the nearest tenth of a mill.

(9) (a) The provisions of subsection (1) do not prevent or restrict:

(i) a judgment levy under 2-9-316, 7-6-4015, or 7-7-2202;

(ii) a levy to repay taxes paid under protest as provided in 15-1-402;

(iii) an emergency levy authorized under 10-3-405, 20-9-168, or 20-15-326;

(iv) a levy for the support of a study commission under 7-3-184;

(v) a levy for the support of a newly established regional resource authority; or

(vi) the portion that is the amount in excess of the base contribution of a governmental entity's property tax levy for contributions for group benefits excluded under 2-9-212 or 2-18-703.

(b) A levy authorized under subsection (9)(a) may not be included in the amount of property taxes actually assessed in a subsequent year.

(10) A governmental entity may levy mills for the support of airports as authorized in 67-10-402, 67-11-301, or 67-11-302 even though the governmental entity has not imposed a levy for the airport or the airport authority in either of the previous 2 years and the airport or airport authority has not been appropriated operating funds by a county or municipality during that time.

(11) The department may adopt rules to implement this section. The rules may include a method for calculating the percentage of change in valuation for purposes of determining the elimination of property, new improvements, or newly taxable property in a governmental unit.""

The governing body may not grant approval for the project until all of the applicant's taxes have been paid in full. Taxes paid under protest do not preclude approval.

(b) Subject to 15-10-420, the governing body may end the tax benefits by majority vote at any time, but the tax benefits may not be denied an industrial facility that previously qualified for the benefits.

(c) The resolution provided for in subsection (2)(a) must include a definition of the improvements or modernized processes that qualify for the tax treatment that is to be allowed in the taxing jurisdiction. The resolution may provide that real property other than land, personal property, improvements, or any combination thereof is eligible for the tax benefits described in subsection (1).

(d) Property taxes abated from the reduction in taxable value allowed by this section are subject to recapture by the local governing body if the ownership or use of the property does not meet the requirements of 15-24-1401, this section, or the resolution required by subsections (2)(a) and (2)(c) of this section. The recapture is equal to the amount of taxes avoided, plus interest and penalties for nonpayment of property taxes provided in 15-16-102, during any period in which an abatement under the provisions of this section was in effect. The amount recaptured, including penalty and interest, must be distributed by the treasurer to funds and accounts subject to the abatement in the same ratio as the property tax was abated. A recapture of taxes abated by this section is not allowed with regard to property ceasing to qualify for the abatement by reason of an involuntary conversion. The recapture of abated taxes may be canceled, in whole or in part, if the local governing body determines that the taxpayer's failure to meet the requirements is a result of circumstances beyond the control of the taxpayer.

(3) The taxpayer shall apply to the department for the tax treatment allowed under subsection (1). The application by the taxpayer must first be approved by the governing body of the appropriate local taxing jurisdiction, and the governing body shall indicate in its approval that the property of the applicant qualifies for the tax treatment provided for in this section. Upon receipt of the form with the approval of the governing body of the affected taxing jurisdiction, the department shall make the assessment change pursuant to this section.

(4) The tax benefit described in subsection (1) applies only to the number of mills levied and assessed for local high school district and elementary school district purposes and to the number of mills levied and assessed by the governing body approving the benefit over which the governing body has sole discretion. The benefit described in subsection (1) may not apply to levies or assessments required under Title 15, chapter 10, ~~20-9-331, 20-9-333, or 20-9-360~~ or otherwise required under state law.

(5) Prior to approving the resolution under this section, the governing body shall notify by certified mail all taxing jurisdictions affected by the tax benefit."

"15-24-2102. Reduction in assessment of taxable value of commercial and industrial property -- application -- approval. (1) (a) For property tax years 2009, 2010, and 2011, the governing bodies of a county or consolidated local government unit, incorporated city or town, if the property is located in the city or town, and school district may jointly reduce by 95% the taxable value of commercial real property improvements, personal property, or any combination of that property, other than land, that is subject to taxation. The reduction in taxable value under this section applies only to commercial or industrial property taxed under 15-6-134 or 15-6-138. A taxpayer that has not been operating the property for at least 6 months immediately preceding the request for reduction in taxable value and that does not intend to use the property for at least 6 months following the reduction in taxable value qualifies under this section.

(b) (i) Except as provided in subsection (1)(b)(ii), an application for the reduction in taxable value allowed under this section must be made to the affected local governing bodies by April 15 of the property tax year.

(ii) An application for the reduction in taxable value allowed under this section for property tax year 2009 must be made to the affected local governing bodies by May 15, 2009.

(c) For the purposes of 15-24-2103 and this section, a local governing body includes the board of trustees of a school district.

(2) (a) In order for a taxpayer to receive the tax benefits described in subsection (1), the governing bodies of the affected county or consolidated local government unit, incorporated city or town, if the property is located in the city or town, and school district must have approved by a separate, joint resolution for each commercial or industrial property, following due notice as defined in 76-15-103 and a public hearing, the taxable value reduction provided for in subsection (1) for the respective jurisdictions. The presiding officer of the governing body of the affected county or consolidated local government unit is the presiding officer of the joint meeting of the affected taxing jurisdictions. If the property is located in more than one county, the presiding officer of the governing body of the county in which most of the property is located is the presiding officer of the joint meeting.

(b) For the purpose of this subsection (2), each affected governing body shall provide due notice of the joint meeting.

(c) Subject to 15-10-420, the governing bodies may end the tax benefits by majority vote at any time, but the tax benefits may not be denied to a commercial or industrial business that previously qualified for the benefits in the tax year.

(d) The joint resolution provided for in subsection (2)(a) must include a description of the improvements and personal property that qualify for the tax treatment that is to be allowed in the taxing jurisdictions. The joint resolution may provide that commercial real property improvements, personal property, or any combination of that property, other than land, is eligible for the tax benefits described in subsection (1).

(3) The joint resolution must state that the reduction in taxable value is in the best interest of the governing body based on full disclosure of all pertinent financial information by the owner of the real and personal property as required by the local governing body. The joint

resolution must be approved by a majority vote of the governing body of each affected taxing jurisdiction referred to in subsection (2)(a).

(4) The governing bodies may refuse to reduce the taxable value of the property if they determine that the business is restructuring the ownership of the property for the primary purpose of escaping payment of property taxes or if the governing bodies determine that the reduction in taxable value is not in the best interest of the local governments.

(5) The reduction in taxable value granted by the joint resolution may be only for the current tax year. The governing bodies may grant a reduction in taxable value for the same owner of the property in the subsequent tax year under the provisions of this section, but they may not grant a reduction in taxable value for more than 3 tax years as provided in this section. The tax benefit granted under this section applies for the entire tax year.

(6) The tax benefits may not be granted under this section if the business owes delinquent property taxes for prior tax years.

(7) (a) If the reduction in taxable value is granted by a majority vote of the governing body of each affected taxing jurisdiction, the reduction applies only to mills levied in the affected county or consolidated local government unit, the affected incorporated city or town, and the affected school district.

An agency may not be required to reduce general fund spending for any program, as defined in each general appropriations act, by more than 10% during a biennium. Departments or agencies headed by elected officials or the board of regents may not be required to reduce general fund spending by a percentage greater than the percentage of general fund spending reductions required for the total of all other executive branch agencies. The legislature may exempt from a reduction an appropriation item within a program or may direct that the appropriation item may not be reduced by more than 10%.

(b) The governor shall direct agencies to manage their budgets in order to reduce general fund expenditures. Prior to directing agencies to reduce spending as provided in subsection (1)(a), the governor shall direct each agency to analyze the nature of each program that receives a general fund appropriation to determine whether the program is mandatory or permissive and to analyze the impact of the proposed reduction in spending on the purpose of the program. An agency shall submit its analysis to the office of budget and program planning and shall at the same time provide a copy of the analysis to the legislative fiscal analyst. The office of budget and program planning shall review each agency's analysis, and the budget director shall submit to the governor a copy of the office of budget and program planning's recommendations for reductions in spending. The budget director shall provide a copy of the recommendations to the legislative fiscal analyst at the time that the recommendations are submitted to the governor and shall provide the legislative fiscal analyst with any proposed changes to the recommendations. The legislative finance committee shall meet within 20 days of the date that the proposed changes to the recommendations for reductions in spending are provided to the legislative fiscal analyst. The legislative fiscal analyst shall provide a copy of the legislative fiscal analyst's review of the proposed reductions in spending to the budget director at least 5 days before the meeting of the legislative finance committee. The committee may make recommendations concerning the proposed reductions in spending. The governor shall consider each agency's analysis and the recommendations of the office of budget and program planning and the legislative finance committee in determining the agency's reduction in spending. Reductions in spending must be designed to have the least adverse impact on the provision of services determined to be most integral to the discharge of the agency's statutory responsibilities.

(b) In determining the amount of the projected general fund budget deficit, the budget director shall take into account revenue, established levels of appropriation, anticipated supplemental appropriations for school equalization aid, and anticipated reversions.

(4) If the budget director determines that an amount of actual or projected receipts will result in an amount less than the amount projected to be received in the revenue estimate established pursuant to 5-5-227, the budget director shall notify the revenue and transportation interim committee of the estimated amount. HOUSE JOURNAL
EIGHTY-FIRST LEGISLATIVE DAY - APRIL 12, 2011

House Recessed.
House Reconvened.

Representative Schmidt read the following proclamation:

***A JOINT PROCLAMATION OF THE SENATE AND THE HOUSE OF
REPRESENTATIVES OF THE STATE OF MONTANA
LUPUS AWARENESS MONTH PROCLAMATION***

April 12, 2011

WHEREAS, each year the Lupus Foundation of America designates May as National Lupus Awareness Month to show support for the estimated 1.5 million Americans who have lupus; and

WHEREAS, lupus is an acute and chronic, lifelong autoimmune disease in which the immune system is unbalanced, causing inflammation and tissue damage to virtually every organ system in the body. It can affect any part of the body, including the skin, lungs, heart, kidneys, and brain. No organ is spared. The disease can cause seizures, strokes, heart attacks, miscarriages, and organ failure. Lupus costs the nation over \$100 billion a year in direct and indirect medical costs; and

WHEREAS, while lupus strikes mostly women of childbearing age, no one is safe from lupus. Native Americans, African American, Hispanics/Latinos, and Asians are two to three times more likely to develop lupus--a disparity that remains unexplained; and

WHEREAS, lupus can be particularly difficult to diagnose because its symptoms are similar to those of many other illnesses, and major gaps exist in understanding the cause and consequences of lupus. More than half of all people with lupus take four or more years and visit three or more doctors before obtaining a correct diagnosis; and

WHEREAS, there have been no new drugs approved by the U.S. Food and Drug Administration specifically for lupus in 52 years; current treatments for the disease can have damaging side effects. Drugs for lupus that are available today are older, further increasing patient suffering and indirect medical costs of the disease; and

WHEREAS, nearly 5,000 citizens in Montana are directly affected by lupus along with their families and friends.

Now, therefore, be it resolved by the House of Representatives and the Senate of the State of Montana that we do hereby proclaim the month of May as Lupus Awareness Month in Montana.

MESSAGES FROM THE GOVERNOR

April 13, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 542, **"AN ACT REVISING PROVISIONS GOVERNING CRITERIA FOR LOCAL GOVERNMENT REVIEW OF PROPOSED SUBDIVISIONS AND INFORMATION PROVIDED AS PART OF A REVIEW; REQUIRING INFORMATION FROM A GOVERNMENTAL ENTITY TO BE SUPPORTED BY SCIENTIFIC INFORMATION; PROHIBITING CONSIDERATION OF INFORMATION PROVIDED BY A GOVERNMENTAL ENTITY THAT IS OR HAS BEEN INVOLVED IN AN EFFORT TO ACQUIRE OR ASSIST OTHERS IN ACQUIRING AN INTEREST IN THE REAL PROPERTY UNDER REVIEW; PROHIBITING A GOVERNING BODY FROM CONSIDERING THE IMPACT OF A SUBDIVISION UNDER REVIEW IN CONJUNCTION WITH THE IMPACTS OF POTENTIAL FUTURE SUBDIVISIONS; PROVIDING THAT INFORMATION PERTAINING TO MITIGATION BY THE SUBDIVIDER MAY NOT BE CONSIDERED NEW INFORMATION; AMENDING SECTIONS 76-3-608 AND 76-3-615, MCA; AND PROVIDING AN APPLICABILITY DATE"** for the following reasons.

I issue this veto because the amendments to Montana's subdivision review process contained in HB 542 are unnecessary, contrary to the public interest, and could jeopardize one of Montana's most important industries – farming and ranching. The amendments would unnecessarily tie the hands of local governments by limiting sources of information those governments can rely on in their decision-making absent any reasonable justification.

First, in the name of clarifying the original intent of subdivision review criteria, HB 542 would replace the term "agriculture" as a criterion for considering a proposed subdivision's impacts,

HOUSE JOURNAL
EIGHTY-SECOND LEGISLATIVE DAY - APRIL 13, 2011

with the term “surrounding agricultural operations.” This would prevent local governments from considering a new subdivision’s overall impacts to agriculture, including the permanent loss of agricultural land. This subtle but significant change would erode the original intent of Montana’s subdivision laws, which in the words of the primary bill sponsor in 1975 when the laws were enacted, was to address “the tragic intrusion on the agricultural land base of Montana.” Simply stated, I oppose this change to Montana’s subdivision review laws that eliminates the consideration of the impacts of a subdivision to Montana agriculture.

Totally unworkable in my opinion is the requirement that information presented to a local governing body from federal, state, or local government experts concerning wildlife, wildlife habitats, or the natural environment be limited to “the best available scientific information.” While this standard for providing opinions may sound reasonable, I doubt any two parties can give the same definition of what it actually means. Who will determine whether information provided is the “best available”? What if the information is “reasonably reliable”? What if dueling experts each proclaim their information is the “best available”? Under each example, the local governing body would be put in the position of having to make an evidentiary determination as to whether information is the “best available” and exclude all other information. I believe this high evidentiary standard for the submission of comments is unnecessary, unreasonable, and counterproductive.

Additionally, I object to the provision in HB 542 prohibiting a local governing body, in its consideration of a pending subdivision application, from considering the impact of a future subdivision. I believe that local officials are best suited to decide whether impacts to future developments in their areas should be considered. I also oppose HB 542’s absolute prohibition on the categorization of all mitigation information as new information. Clearly, notwithstanding this arbitrary classification in the bill, a mitigation proposal could be new information as a matter of fact, thereby triggering the requirement for a public hearing and the opportunity for neighbors to comment on the developer’s new proposal. Like other provisions of the bill, I believe this categorization is unnecessary, unreasonable, and contrary to Montana’s strong public participation laws.

Finally, while the requirement that a governmental entity offering comments disclose any self-interest it may have based on its own efforts to acquire or assist another in acquiring the property may be of value, this provision in HB 542, alone, is not sufficient to win my support for the bill in its entirety. In any event, local governments should have the tools necessary under existing law to address this issue to the extent it has been a problem.

I ask for your support in sustaining my veto of HB 542 for the reasons stated above.

Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Mike Milburn

The Honorable Jim Peterson

State Capitol

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 161, **"AN ACT REPEALING THE MEDICAL MARIJUANA ACT; AMENDING SECTIONS 37-1-136, 45-9-101, 45-9-102, 45-9-103, 45-9-110, 45-9-127, 45-10-103, AND 45-10-107, MCA; REPEALING SECTIONS 50-46-101, 50-46-102, 50-46-103, 50-46-201, 50-46-202, 50-46-205, 50-46-206, 50-46-207, AND 50-46-210, MCA; AND PROVIDING AN EFFECTIVE DATE"** for the following reasons.

On November 2, 2004, Montana voters passed citizens' initiative I-148, encaptioned, "The Medical Marijuana Act," allowing for the lawful use of marijuana for medical purposes under state law. The act was passed by Montanans on a vote of 276,042 to 170,579, almost 62% of those casting a ballot. I issue this veto of HB 161 because I do not believe it is right that 91 legislators overturn the will of the people of Montana, who passed this citizen initiative in 2004 by this significant margin.

Having twice been elected to statewide office, I bring to this issue an ever-abiding respect for Montana's electoral process. I know it is the people of Montana I serve, and so it is the people of Montana I listen to as I execute the laws of this state day in and day out. I understand that the vast majority of Montana citizens and even the promoters of I-148 agree that the Medical Marijuana Act, written as broadly as it was, came to be something never anticipated when the voters passed it in 2004. However, balancing that fact with the medical needs of Montana citizens, I believe the proper resolution of this unanticipated outcome is not outright repeal, but amendment to serve the original intent – to provide a medicinal option for Montanans "to alleviate the symptoms or effects of the patient's debilitating medical condition." Sec. 2(4), I-148, now codified at Mont. Code Ann. § 50-46-102(5).

For the stated reasons, I respectfully ask the members of the Legislature to sustain my veto.

Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Mike Milburn
Speaker of the House

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 180, **"AN ACT REVISING THE CLOSE OF VOTER REGISTRATION; AND AMENDING SECTIONS 13-2-301 AND 13-2-304, MCA"** for the following reasons.

In 2005, a bipartisan Montana Legislature voted by a margin of 141-9 to allow Montana citizens to register to vote at any time through Election Day, eliminating an antiquated and onerous law that prohibited citizens from voting unless they registered 30 days in advance of an election. Since taking effect on January 1, 2006, a total of 42,905 eligible Montana voters have used this new law to register to vote and, of these voters, 18,747 have registered on Election Day.

In spite of the fact that the 2005 voting measure received near unanimous approval, HB 180 is now attempting to roll it back, by prohibiting voters from registering on Election Day. This attempt at making voting more difficult is made without any showing that it is necessary. At committee hearings in both chambers, the proponents of HB 180 testified that this legislation is necessary to root out "voter fraud," but failed to produce a single verifiable example of any voter fraud that has occurred in Montana as a result of Election Day registration.

As Montana Secretary of State Linda McCulloch stated in her opposition to this measure, HB 180 advances the notion of bureaucracy over democracy, placing a harsh penalty on those wishing to exercise the fundamental right to vote.

The Montana Legislature is unwise to trample on our citizens' freedom in this way, and my Administration will continue its consistent efforts to prevent any needless incursions on the freedom to cast a ballot.

Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Mike Milburn
Speaker of the House

The Honorable Jim Peterson

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 272, **"AN ACT PROHIBITING THE USE OF HUNTING ACCESS ENHANCEMENT FEES FOR FEE TITLE LAND ACQUISITION; AMENDING SECTIONS 87-1-270 AND 87-1-271, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE"** for the following reasons.

House Bill 272 represents a surprising reaction to Fish, Wildlife, and Parks' (FWP's) use of a specific funding source to achieve the policy goal of promoting access to public lands endorsed by the 2009 Legislature. Specifically in 2009, through passage of the bonding bill, House Bill No. 674, the Legislature authorized the Department of Natural Resources and Conservation to purchase as much as possible of Plum Creek Timber Company lands offered for sale. The alternative to this purchase would have been subdivision and development of these lands, and the result would have been loss of fish and wildlife habitat, timber lands, access, and recreational opportunity for hunting, fishing, hiking, camping, and snowmobiling.

Consistent with the Legislature's 2009 policy direction for acquisition of Plum Creek lands, and in accordance with its authority under § 87-1-270, MCA and other funding sources, in 2010 FWP acquired the Marshall Block, comprising significant timberland formerly owned by Plum Creek west of Seeley Lake. Supporters of the Marshall Block purchase included the Missoula County Commission, the Seeley Lake Community Council, the Swan ATV Club and Pyramid Mountain Lumber, to name just a few.

House Bill 272 seeks to restrict the use of certain hunting access enhancement fees to prohibit fee title acquisition of land. Had HB 272 been in effect in 2010, FWP would have been prohibited from using these funds for acquiring the Marshall Block, and the purchase itself would have been jeopardized.

House Bill 272 appears to reflect both a notable and piecemeal policy shift by the Legislature in reaction to one specific land acquisition by FWP. I disagree with this policy shift and believe that FWP needs to maintain a full complement of tools for conserving access to public lands, including fee title acquisition, in order to be able to react with flexibility as access opportunities

present themselves in a sometimes fast-moving real estate market. House Bill 272 does not allow for that necessary flexibility.

The Honorable Mike Milburn
Speaker of the House

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 318, **"AN ACT REQUIRING APPROVAL OF THE BOARD OF COUNTY COMMISSIONERS BEFORE THE DEPARTMENTS OF LIVESTOCK OR FISH, WILDLIFE, AND PARKS MAY AUTHORIZE ANY TRANSPLANTATION OR RELOCATION OF WILD BUFFALO OR BISON CERTIFIED AS BRUCELLOSIS-FREE INTO A MONTANA COUNTY; AMENDING SECTIONS 81-2-120 AND 87-1-216, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE"** for the following reasons.

I issue this veto of HB 318 because its underpinnings lie not in scientific fact, but in the perpetuation of unfounded fears related to disease management and bison management.

HB 318 transfers decision-making for bison relocation from the state to counties, which under the bill are granted ultimate authority to determine whether relocation may occur. Increased tolerance for bison in Montana and relocation of bison to other suitable habitats and tribal lands was part of the court-ordered Interagency Bison Management Plan adopted in 2000, to which two state agencies and three federal agencies were parties. Proponents of HB 318 who helped write and agreed to that plan are now seeking to undermine the heart of it through this legislation.

The bison quarantine and relocation study was written over 6 years ago. In well over a dozen industry-sanctioned and federally-approved tests, the quarantined bison now available for

HOUSE JOURNAL
EIGHTY-SECOND LEGISLATIVE DAY - APRIL 13, 2011

relocation have in every instance tested negatively for brucellosis. These are quite possibly the most-tested animals in the history of animal health management. No other group of animals has been tested so rigorously over such a long period of time.

The claim that these bison risk the spread of brucellosis, which is the underpinning for HB 318, is without merit. Those who do not believe the science apparently would throw out the entire structure of the US. animal health system we have relied on for decades to control disease in livestock. I find this position a disturbing one, given the picture it presents to consumers about disease control and the safety of the entire U.S. food supply. Based on the very same testing protocol we rely on to assure disease-free animals across the country, these bison are at least as safe as any other animal in Montana, or the world, for that matter.

The transfer of authority from the state to the counties under HB 318 is also accompanied by a more subtle change in law with respect to decision-making for the management of bison, which under current law must be based upon scientific risk-based criteria that the state must follow, to a system that establishes no bases or parameters upon which counties would be required to use to approve relocation. The shifting of wildlife management decisions from considered science to political decision-making is not only contrary to sound public policy, it places significant federal fish and wildlife funding at risk.

Also without merit are arguments that relocated bison somehow present other property and safety risks. Given the existence of dozens of domestic bison herds throughout Montana, I do not believe these arguments support enactment of HB 318 into law.

Finally, HB 318 runs counter to Montana's own tried and tested laws for disease control and the transport of livestock and other animals by allowing county government to arbitrarily exercise veto authority over the transport of one particular species. Montana makes no such exception for any other species, including cattle, horses, mules, swine, llamas, alpacas, or sheep. There likewise is no exception for the transplantation of any wildlife species, including any wild mammal, bird, reptile, amphibian, fish, mollusk, crustacean, or other wild animal or the egg, sperm, embryo, or offspring of the wild animal.

Proper management of commerce, disease, and wildlife statutes rightly belongs in the hands of experts at the state level, whether it involves state livestock inspectors, the state veterinarian, or state wildlife biologists. For these reasons, I ask for your support in sustaining my veto.

Sincerely,

BRIAN SCHWEITZER

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 464, **"AN ACT PROVIDING THAT PHYSICIANS WHO ARE BOARD-CERTIFIED OR BOARD-ELIGIBLE IN PEDIATRIC OR GERIATRIC SUBSPECIALTIES MAY BE LIABLE FOR DAMAGES ONLY UPON PROOF BY CLEAR AND CONVINCING EVIDENCE; AND PROVIDING AN APPLICABILITY DATE"** for the following reasons.

House Bill 464 establishes a higher standard of proof for personal injury claims by injured people against a practitioner board-eligible or board-certified in a pediatric or geriatric subspecialty than for all other medical malpractice claims. For doctors with these subspecialties, an injured person would have to prove their claim by clear and convincing evidence, rather than by a preponderance of the evidence, as I believe is required for all other medical malpractice claims, and indeed all other claims arising in tort.

Proponents of HB 464 argued for its passage on grounds that there is a shortage of these medical subspecialists in Montana and reducing their exposure to tort liability will assist in recruiting them to practice here. However, they failed to back their arguments with credible facts. As a general statement, Montana's small population, not its court system, primarily accounts for the limited number of subspecialists that practice here. History tells us that when doctors decide to locate their practice in Montana, they do so either because they have roots in Montana or based on quality of life opportunities here, such as Montana's excellent educational system or our state's unsurpassed grandeur and extraordinary recreational opportunities. Finally, the equal protection requirements of both our state and federal constitutions prohibit economic-based legislative classifications absent a rationale basis for the classifications. I have been counseled that the line-drawing contained in this bill, unsupported by factual evidence, may run afoul of the equal protection standards that would apply.

For these reasons, I ask for your support in sustaining my veto of HB 464.

Sincerely,

The Honorable Jim Peterson
President of the Senate
State Capitol

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 456, **"AN ACT ALLOWING FOR PARENTAL CONTROL OVER STUDENT PARTICIPATION IN COURSES OF INSTRUCTION INVOLVING HUMAN SEXUAL EDUCATION; REQUIRING A SCHOOL DISTRICT TO INFORM A PARENT OR GUARDIAN WHEN EVENTS OR COURSES ON HUMAN SEXUALITY WILL BE HELD OR TAUGHT; PROHIBITING A SCHOOL DISTRICT FROM ALLOWING ANY ABORTION SERVICES PROVIDER TO OFFER MATERIALS OR INSTRUCTIONS AT A SCHOOL; AMENDING SECTION 20-5-103, MCA; AND PROVIDING AN EFFECTIVE DATE"** for the following reasons.

I have been advised that HB 456 likely runs afoul of the Montana Constitution's requirements for local control of schools, and poses free speech, freedom of association, and equal protection problems under both the state and federal constitutions. House Bill 456 also presents numerous practical problems for schools, both, generally, in the administration of the "opt-in" requirements for educational offerings addressing human sexual education, and, specifically, in ensuring that the "opt-in" requirements are followed notwithstanding the broadly described categories of course offerings subject to those requirements.

Regarding local control, Article X, § 9(3)(a) of the Montana Constitution charges the board of public education with the "general supervision" of Montana's public school system, while Article X, § 8 places direct "supervision and control" of schools in a board of trustees elected as provided by law. Under this constitutional structure, the board of public education must adopt accreditation standards for public schools, including a basic instructional program for students, and school trustees are charged with establishing curriculum guidelines to meet the Board's standards.

The Montana Supreme Court forcefully affirmed the principles of local control in *Yanzick v. School District*, 196 Mont. 375, 389-90, 641 P.2d 431, 440 (1982), in which the court quoted from the transcripts to the 1972 Constitutional Convention Proceedings where delegates discussed their express intent not to grant in the new board of public education the power to "control" the schools, but rather to limit the power of the board of public education to one of

HOUSE JOURNAL
EIGHTY-SECOND LEGISLATIVE DAY - APRIL 13, 2011

“supervision.” Where the Board of Public Education is limited in its ability to “control” public schools in Montana under the state constitution, the Legislature’s ability to do so is even more confined.

Just as the Montana Constitution places “control” of the Montana university system in the Board of Regents, thus limiting the authority of the Legislature to control the university, particularly in the area of academic instruction, see Board of Regents v. Judge, 168 Mont. 433, 543 P.2d 1323 (1975), so the Montana Constitution places general supervision of the schools in the Board of Public Education and direct “control” of Montana’s public schools in the board of trustees, a structure upon which the Legislature may not encroach, particularly in the area of course offerings. By infringing on the authority of local board of trustees to establish their own attendance policies regarding excused and unexcused absences and creating barriers to the provision of instructional resource materials in the area of sex education, HB 456’s requirements raise grave constitutional concerns.

In summary, I believe HB 456 would establish dangerous precedent as a content-based restriction on the power of local schools to make their own curriculum decisions. Where parents object to curriculum or policies adopted by members of local school boards, their recourse properly lies at the local level.

For these reasons, I ask for your support in sustaining my veto of HB 456.
Sincerely,

BRIAN SCHWEITZER

MESSAGES FROM THE GOVERNOR

April 15, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 416, "**AN ACT PROVIDING FOR QUALITY ASSURANCE ACTIVITIES BY MEDICAL PRACTICE GROUPS; PROVIDING FOR CONFIDENTIALITY OF THE PROCEEDINGS OF QUALITY ASSURANCE COMMITTEES; PROVIDING EXCEPTIONS; PROVIDING DEFINITIONS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.**"

House Bill 416 authorizes medical practice groups of two or more practitioners to establish quality assurance programs to review pending medical malpractice claims, conduct risk management activities, and undertake quality assurance reviews of individual cases or general practices. Perhaps the most prominent feature of the legislation is that it assures confidentiality of the matters discussed and considered by a quality assurance committee.

My concern with the legislation is that I believe its confidentiality provisions extend too far in one particular. The legislation, as written, appears to allow *facts* about a medical treatment to be withheld from a patient if the facts do not appear in an "incident report or occurrence report," but are disclosed in the context of the quality assurance committee proceedings. Certainly, the *facts* about the medical care provided to an individual should not be withheld from that individual –

HOUSE JOURNAL
EIGHTY-THIRD LEGISLATIVE DAY - APRIL 18, 2011

regardless of where those facts come to light, i.e., in the patient's medical chart or in the discussions of a quality assurance committee proceeding.

My amendment assures that a patient will always have access to the facts about the care the patient received. In keeping with the bill's overall intent, the amendment continues to assure that the mental impressions, conclusions, opinions, or theories about the treatment of a patient, when discussed by the quality assurance committee, will stand protected as confidential, thereby serving the ultimate goal of quality assurance programs – to provide the best quality medical care of patients.

I ask you for favorable consideration of my proposed amendment to HB 416. " for the following reasons.

Sincerely,

BRIAN SCHWEITZER
Governor

(b) The exception to the confidentiality provisions contained in this subsection (8) does not extend to mental impressions, conclusions, opinions, or theories otherwise discussed or developed in a quality assurance committee proceeding by members of the committee."

MESSAGES FROM THE GOVERNOR

April 18, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 59, **"AN ACT REVISING THE DEFINITION OF "ELIGIBLE RENEWABLE RESOURCE" TO INCLUDE HYDROELECTRIC PROJECT EXPANSIONS; GRANTING THE PUBLIC SERVICE COMMISSION RULEMAKING AUTHORITY OVER HYDROELECTRIC PROJECT EXPANSIONS; AMENDING SECTIONS 69-3-2003 AND 69-3-2006, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE"** for the following reasons.

House Bill 59 amends Montana's Renewable Power Production and Rural Economic Development Act, passed by the 2005 Legislature and which I signed into law, by allowing expansion of generation capacity at existing hydro projects to be incorporated into Montana's Renewable Portfolio Standard. By and large, the amendments to the Act contained in HB 59 are consistent with the Act's original purpose, which was to create incentives for diverse rural economic development through the production of renewable power commencing operation after January 1, 2005.

HOUSE JOURNAL
EIGHTY-THIRD LEGISLATIVE DAY - APRIL 18, 2011

The bill has one problem, which my amendments propose to resolve. As written, HB 59 would apply to at least one project that is already underway. Allowing the incentives under the Act to apply retroactively to a project already underway creates no new jobs, and therefore does not serve either the Act's original purpose – to expand rural economic development – or my top legislative priority this session – to create new jobs. I know many legislators have expressed this priority, as well.

I believe most Montanans see the benefit of incentives that apply in a forward-looking manner to create jobs. I do not believe these same Montanans support giving an after-the-fact reward to a company for a project the company already commenced. My amendments limit the bill's applicability to projects that commence construction after the effective date of HB 59.

Hydropower is welcomed by Montanans, and it is welcomed by our current RPS statute. I believe HB 59, amended as I propose, allows for incremental hydro projects while still meeting the intent of the original Act.

Sincerely,

BRIAN SCHWEITZER
Governor

MESSAGES FROM THE GOVERNOR

April 18, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

HOUSE JOURNAL
EIGHTY-FOURTH LEGISLATIVE DAY - APRIL 19, 2011

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 307, **"AN ACT PROHIBITING STATE BUILDING CODES FROM REQUIRING MANDATORY INSTALLATION OF FIRE SPRINKLER SYSTEMS IN CERTAIN RESIDENTIAL BUILDINGS; AMENDING SECTION 50-60-203, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE"** for the following reasons.

House Bill 307 was returned to my office after the House and Senate failed to adopt my amendments. The bill prohibits the Department of Labor and Industry from adopting a state building code requirement that sprinklers be installed in certain residential buildings. My proposed amendments to HB 307 would have permitted our state building codes to include a rule authorizing local jurisdictions to adopt and enforce building standards to decide how and when additional requirements for fire suppression should be required in new construction.

I am now vetoing House Bill 307 in its entirety because of serious public safety concerns. Firefighters across the state who risk their lives every day have run into serious obstacles in suppressing fires in new residential housing projects that have limited water supply or are remotely located from volunteer fire departments. The State Building Codes need to at least have the option of considering mandatory sprinklers. Public hearings would be required before any new code requirement was adopted.

I respectfully request that the legislature sustain my veto.

Sincerely,
BRIAN SCHWEITZER
Governor

The Honorable Jim Peterson

HOUSE JOURNAL
EIGHTY-FOURTH LEGISLATIVE DAY - APRIL 19, 2011

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 565, **"AN ACT PROVIDING CHILDREN WITH MENTAL HEALTH NEEDS WITH IN-STATE SERVICE ALTERNATIVES TO OUT-OF-STATE PLACEMENT; REVISING DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES PROCEDURES FOR DETERMINING PLACEMENT OF CHILDREN IN OUT-OF-STATE SERVICES; REQUIRING THE DEPARTMENT TO DIFFERENTIATE BETWEEN MODERATE AND INTENSIVE NEEDS FOR HIGH-RISK CHILDREN; EXPANDING REPORTING REQUIREMENTS; PROVIDING RULEMAKING AUTHORITY; AND AMENDING SECTIONS 52-2-308, 52-2-310, AND 52-2-311, MCA"** for the following reasons.

House Bill 565 addresses the important public policy of prioritizing placement of high-risk children with complex multiagency service needs in-state. I have proposed amendments to the bill for purposes of ensuring conformity with federal Medicaid law, to remove requirements regarding "performance standards" where no objective standards are available, and to make the current law more meaningful in a manner consistent with the sponsor's, Representative Noonan's, intent.

In its current form, HB 565 would require the Department of Public Health and Human Services (DPHHS) to establish a performance-based system for assigning in-state providers to cases. This provision in the bill conflicts with federal Medicaid requirements that any willing provider must be allowed to participate in the program if the provider meets established licensure and certification requirements. Additionally, HB 565 would require DPHHS to adopt rules establishing measurable performance standards and demonstrated successful outcomes for providers. While a laudable goal, no widely accepted performance standards exist, and it is extremely difficult to measure performance outcomes due to limited sample sizes and the inability to control for the vast differences between children with emotional disturbances.

My proposed amendments address these problems in the bill and also clarify current law consistent with DPHHS' experiences. For example, the amendments delete current requirements that DPHHS differentiate in definition and reimbursement rates between therapeutic settings that provide a moderate level of service and those providing an intensive level. For many years, the children served by DPHHS have required intensive level of services, so the amendments remove the distinction in statute that has proven unnecessary. Most other proposed amendments should be self-explanatory.

I share with the Legislature endorsement for the policy reflected in the law and in the improvements to the law contained in HB 565 that, to the extent possible, our state must prioritize treating children with complex and serious mental health needs close to home. We have made great strides in the past four years reducing the number of out-of-state placements of children requiring mental health treatment by 40%. We must continue in our efforts.

HOUSE JOURNAL
EIGHTY-FOURTH LEGISLATIVE DAY - APRIL 19, 2011

Representative Noonan has indicated his support for my amendments, and I respectfully ask you to join him with your support as well.

Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 165, **"AN ACT REVISING AND CLARIFYING THE DISTRIBUTION OF PROCEEDS AND INCOME FROM CERTAIN STATE TRUST LANDS; PROVIDING THAT INCOME RECEIVED FROM CERTAIN ISLANDS, ABANDONED RIVERBEDS, RIVERBEDS, AND POWER SITES BE DEPOSITED IN THE GUARANTEE ACCOUNT AND THE SCHOOL FACILITY AND TECHNOLOGY ACCOUNT FOR DISTRIBUTION TO PUBLIC SCHOOLS; AMENDING SECTIONS 17-3-1003, 20-9-516, 77-1-102, 77-1-103, AND 77-4-208, MCA; AMENDING SECTION 32, CHAPTER 486, LAWS OF 2009; AND PROVIDING AN EFFECTIVE DATE"** for the following reasons.

HOUSE JOURNAL
EIGHTY-FIFTH LEGISLATIVE DAY - APRIL 20, 2011

I offer the attached amendments to HB 165 because the legislative session is nearing completion and I want to be certain that money in the school facility and technology account, provided for in Mont. Code Ann. § 20-9-516, can be used for state reimbursement for school facilities, as provided in Mont. Code Ann. § 20-9-371. Other bills this session have addressed this subject, even one bill that remains alive containing an identical provision, HB 611, but I am presently unsure of the fate of HB 611. Passage of my amendment will ensure the policy change, which has received widespread support throughout the session.

I ask for your support of my proposed amendments.

Sincerely,

BRIAN SCHWEITZER
Governor

Mr. President and Mr. Speaker:

And, recommend that **House Bill 621** (reference copy -- salmon) be amended as follows:

"80-7-1002. Legislative findings and purpose. (1) The legislature finds that:

(a) invasive species can wreak damage on the economy, environment, recreational opportunities, and human health in Montana;

(b) there is reason to be concerned about the further introduction, importation, and infestation of Eurasian watermilfoil (*Myriophyllum spicatum*) and the introduction, importation, and infestation of additional invasive species ~~not yet present~~ in Montana, such as the zebra mussel (*Dreissena polymorpha*) and the quagga mussel (*Dreissena bugensis*), that could cause catastrophic damage to not only our waterways, rivers, and lakes, our water storage, delivery, and irrigation systems, our hydroelectric power structures and systems, and our aquatic ecosystems, but also to the entire state economy;

(c) as infestations of threatening invasive species move ever closer to Montana's borders, protecting Montana against these species is of utmost importance to the state economy, environment, recreational opportunities, and human health for the benefit of all Montanans;

(d) preventing the introduction, importation, and infestation of invasive species is the most effective and least costly strategy for combating invasive species that, once established, are often difficult to control or eradicate;

(e) the use of check stations, at which ~~the exterior of vessels~~ and trailers transporting vessels may be inspected for the presence of invasive species and cleaned if an invasive species is detected, is an effective way to prevent the introduction, importation, and infestation of invasive species that are easily transferred from infested areas to uninfested areas when proper precautions are not taken; and

(f) preventing the introduction, importation, and infestation of invasive species is best accomplished through coordinated educational and management activities.

(2) The purpose of this part is to establish a mechanism for Montana to take concerted action to detect, control, and manage invasive species, including preventing further introduction, importation, and infestation, by educating the public about the threat of these species, coordinating public and private efforts and expertise to combat these species, and authorizing the use of check stations to prevent the intrastate movement of invasive species from infested areas to uninfested areas to protect the state's economy, environment, recreational opportunities, and human health for the benefit of all Montanans.""

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 26, 2011

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 100, "**AN ACT PROVIDING FOR FISCAL NOTES THAT INCLUDE BUSINESS IMPACT STATEMENTS; AND AMENDING SECTION 5-4-203, MCA**" for the following reasons.

My amendments speak for themselves. House Bill 100 was touted by Republican leadership this session as one of ten bills that will bring jobs to Montana. My amendments are simple. They ask the Department of Labor and Industry to report to the Governor's Office of Economic Development and to the Legislative Finance Committee on a biannual basis the number of jobs that have been created in Montana as a result of the bill's passage.

I trust the Legislature will be as interested as the rest of Montana in knowing the answer to this question. I ask for your support of my amendments.

Sincerely,

BRIAN SCHWEITZER
Governor

The Honorable Jim Peterson

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 310, **"AN ACT REVISING THE LAWS RELATING TO INITIATIVES AND REFERENDA; REQUIRING STATEMENTS ON PETITIONS FOR INITIATIVES AND REFERENDA AND ON THE BALLOT THAT CLEARLY INDICATE THAT A "YES" VOTE SUPPORTS A BALLOT ISSUE AND THAT A "NO" VOTE OPPOSES A BALLOT ISSUE; REQUIRING A SINGLE STATEMENT OF PURPOSE AND IMPLICATION; AMENDING SECTIONS 13-27-202, 13-27-204, 13-27-205, 13-27-206, 13-27-207, 13-27-312, 13-27-315, AND 13-27-501, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE"** for the following reasons.

My amendments change the effective date of HB 310 to occur after the 2012 elections.

As HB 310 is currently written, all legislative referenda passed by the 62nd Legislature must contain the current statutory format offering the voter "FOR" and "AGAINST" statements, while any citizen proposed initiatives and constitutional amendments for the 2012 ballot must utilize a new format ("YES" or "NO" options, without statements) proposed in this legislation. I believe that two different sets of language for ballot issues on the 2012 ballot could prove confusing to voters. Therefore, I propose amending HB 310 with a later effective date. This will ensure that all ballot measures use uniform language and format in all elections henceforth.

I ask for your support of my amendments.
Sincerely,

BRIAN SCHWEITZER
Governor

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 551, "**AN ACT PROVIDING FOR A HIGH-DEDUCTIBLE HEALTH PLAN WITH A FEDERALLY QUALIFIED HEALTH SAVINGS ACCOUNT FOR COVERED INDIVIDUALS IN THE STATE EMPLOYEE GROUP BENEFIT PLAN; AND PROVIDING A DELAYED EFFECTIVE DATE**" for the following reasons.

My proposed amendments to HB 551 offer the Department of Administration (DOA) the discretion to offer a high-deductible health insurance plan to state employees, rather than mandate such a plan be offered, as provided in the bill. The DOA has considered offering a high-deductible plan to state employees and would continue to consider this option irrespective of the bill. However, mandating that this option be offered would require legislation in the future, if it were determined that such a plan was not in the best interest of the State or its employees.

I respectfully ask for your support of my amendments.

The Honorable Mike Milburn

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 219, **"AN ACT INCREASING THE DEDUCTION ALLOWED UNDER THE INDIVIDUAL INCOME TAX FOR FEDERAL INCOME TAXES PAID BEGINNING IN TAX YEAR 2015; PROVIDING AN INFLATION ADJUSTMENT FOR THE DEDUCTION OF FEDERAL INCOME TAXES PAID BEGINNING IN TAX YEAR 2016; AMENDING SECTION 15-30-2131, MCA; AND PROVIDING AN APPLICABILITY DATE"** for the following reasons.

House Bill 219 leaves out more than 75% of Montana taxpayers -- ordinary, hard-working Montanans mostly earning less than \$65,000 a year -- from the tax breaks the bill provides. Instead, 80% of the tax benefits contained in HB 219 would go to those in higher income brackets. The bill also creates long-term fiscal problems, which is why, in 2003, the Executive and Legislature agreed not to index the federal tax deduction for inflation. The cost of HB 219 is estimated to more than triple in five years—from \$2.868 million in FY 2016 to \$9.432 million in FY 2021.

When I sent you my amendatory veto to HB 219, I notified the Legislature of my objections and sought to correct the long-term fiscal imbalance the bill would create, but the Legislature has seen fit to reject my proposed amendments.

On grounds of fairness to Montana taxpayers and fiscal responsibility, I have vetoed the bill and ask for your support in sustaining my veto.

Sincerely,

BRIAN SCHWEITZER
Governor

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 341, **"AN ACT REVISING THE INTEREST THAT MAY BE AWARDED ON CIVIL JUDGMENTS; CLARIFYING THAT THE CHANGE IN RATE DOES NOT APPLY TO SITUATIONS OTHER THAN CIVIL JUDGMENTS; AMENDING SECTIONS 25-9-205 AND 27-1-210, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE"** for the following reasons.

Montana statute establishes interest payments on judgments in civil cases at 10%. House Bill 341 seeks to establish a two-tiered system for interest, so that for actions for a recovery on an injury (injuries to the person and to property), the interest rate would fluctuate based on the prime rate published by the federal reserve system on the date of judgment, but for all other actions (unless specified by a controlling contract), the interest rate would remain at the current statutory rate of 10% without any rational basis for the distinction.

I believe HB 341 is unnecessary, unnecessarily complicated, and inequitable. I respectfully ask for your support in sustaining my veto.

Sincerely,
BRIAN SCHWEITZER

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 388, "**AN ACT REVISING THE PROCEDURES AND STANDARDS FOR MAKING BUDGET COMPARISONS; AND AMENDING SECTION 17-7-151, MCA**" for the following reasons.

Codification of HB 388 is unnecessary because members of the Legislature already have access to all of the information requested within the bill. The Legislative Fiscal Division provides the information required by HB 388 and posts it on-line in Volume 1 - Statewide Perspectives of the Legislative Budget Analysis. During the House Appropriations hearing on HB 388, the Principal Fiscal Analyst of the Legislative Fiscal Division stated the following: "I'm sure all of you are familiar with volume one of our budget analysis. If you turn to page 72 through 76, the exact information that is requested in this bill is contained in this document. It takes about eight hours of man-hour time to produce that information."

I ask for your support in sustaining my veto of the bill.

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 483, "**AN ACT GENERALLY REVISING CAMPAIGN FINANCE LAWS; REVISING REPORTING PROVISIONS APPLICABLE TO CHURCHES IN**

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 26, 2011

ISSUE AND BALLOT ISSUE CAMPAIGNS TO CONFORM WITH COURT DECISIONS PROTECTING THE FREE EXERCISE OF RELIGION AS GUARANTEED BY THE FIRST AMENDMENT OF THE UNITED STATES CONSTITUTION AND ARTICLE II, SECTION 5, OF THE MONTANA CONSTITUTION; REVISING DEFINITIONS RELATED TO EXPENDITURES AND CONTRIBUTIONS; PROHIBITING RULES THAT WOULD REQUIRE THE REPORTING OF INCIDENTAL CONTRIBUTIONS OR EXPENDITURES IN ISSUE AND BALLOT ISSUE CAMPAIGNS; AMENDING SECTIONS 13-1-101 AND 13-37-226, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE" for the following reasons.

Like all organizations, churches may advocate to their members about ballot issues and political candidates without the need to file any paperwork with the Office of Political Practices (OPP). And like all organizations, churches that engage in this type of advocacy with an audience outside of their membership must file campaign finance disclosures with OPP.

Unfortunately, however, HB 483 attempts to create a new category of unregulated political activity that churches -- but no other organization -- may engage in. At a time when unregulated money is exerting undue influence on our political system, I do not believe that we should be loosening campaign laws in this way.

House Bill 483 was ostensibly drafted as a response to a Ninth Circuit decision in a case involving the Canyon Ferry Road Baptist Church in East Helena, in which the Church was cited by the OPP for not reporting small expenditures (such as making a few copies on a copy machine) in the course of advocating to its congregation for the passage of a ballot measure. Indeed, the title of HB 483 states that its purpose is to revise Montana law "to conform with court decisions protecting the free exercise of religion."

Unfortunately, this bill does no such thing. Contrary to the bill's title, the Court's decision had nothing to do with the free exercise of religion. The Ninth Circuit ruling simply held that no organization -- regardless of the organization's status -- should be required to report tiny, insignificant spending as political activity. In the Court's view, to require such reporting "impermissibly infringe[d] on the Church's free speech rights" and, for this reason, Montana's reporting requirements were "unconstitutional as applied to the Church's de minimis activities" under the particular facts of the case. *Canyon Ferry Baptist Church of East Helena v. Unsworth*, 556 F.3d 1021, 1034 (9th Cir. 2009). Indeed, the Ninth Circuit expressly disavowed that its ruling was based on religious freedom, stating that because the case was decided on free speech issues, it was "unnecessary . . . to address the Church's additional challenges based on First Amendment rights of association and free exercise of religion." *Id.* at 1028, n.9.

The Legislature certainly could codify this Ninth Circuit ruling, as it often codifies court decisions, and I would have no objection. Instead, under the guise of codifying the Ninth Circuit ruling, HB 483 opens the door to allow churches to engage in any political activity that occurs "in the normal course of exercising its freedom of religious expression" without having to report its actions. Under HB 483, a church could fundraise, spend money, and communicate with audiences well outside its membership without having to report those activities. Not only would

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 26, 2011

this create the potential for the unreported flow of money in pursuit of ballot initiatives and political campaigns, it also would sow confusion and invite litigation by adopting a new rule under the First Amendment to churches, alone, that no court has ever endorsed.

Montana law should not be in the business of drawing lines to favor some organizations' political activities over others. When any organization, even a church, starts electioneering beyond its membership, voters have a right to know the identity of the organization. Churches are already protected by the Ninth Circuit's decision, and the Commissioner of Political Practices is under order from that Court to allow churches and other organizations to make de minimis expenditures without having to report them if the reporting requirement would create a burden on freedom of speech.

I am an ardent advocate of the First Amendment, encompassing both freedom of speech and religious freedom. I also am an ardent advocate of fair campaign practices and disclosure laws. It is for these reasons that I have issued my veto of HB 483.

Sincerely,

BRIAN SCHWEITZER
Governor

"COORDINATION SECTION. **Section 13. Coordination instruction.** If both Senate Bill No. 329 and [this act] are passed and approved and if both contain a section that amends 20-9-630, then the sections amending 20-9-630 are void and 20-9-630 must be amended as follows:

"20-9-630. School district block grants. (1) (a) The office of public instruction shall provide a block grant to each school district based on:

(i) the revenue received by each district in fiscal year 2001 from vehicle taxes and fees, corporate license taxes paid by financial institutions, aeronautics fees, state land payments in lieu of taxes, and property tax reimbursements pursuant to sections 167(1) through (5) and 169(6), Chapter 584, Laws of 1999; and

(ii) any reimbursement to be made to a school district pursuant to subsection (2).

(b) Block grants must be calculated using the electronic reporting system that is used by the office of public instruction and school districts. The electronic reporting system must be used to allocate the block grant amount into each district's budget as an anticipated revenue source by fund.

~~(c) With the exception of vehicle taxes and fees, the office of public instruction shall use the amount actually received from the sources listed in subsection (1)(a) in fiscal year 2001 in its calculation of the block grant for fiscal year 2002 budgeting purposes. For vehicle taxes and fees, the office of public instruction shall use 93.4% of the amount actually received in fiscal year 2001 in calculating the block grant for fiscal year 2002.~~

~~(2) If the fiscal year 2003 appropriation provided in section 248(1), Chapter 574, Laws of 2001, is insufficient to fund the school district block grants in fiscal year 2003 at the fiscal year 2002 level, the office of public instruction shall prorate the block grants to meet the remaining appropriation. School districts shall anticipate the prorated block grant amounts provided by the office of public instruction in their budgets for fiscal year 2003.~~

(2) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this section, the office of public instruction shall determine the reimbursement amount as provided in the enactment and add the appropriate amount to block grant distributions under this section. Except for the reimbursement made under [section 3(3)(b) of Senate Bill No. 372],

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 26, 2011

the total of reimbursement distributions made pursuant to this subsection in a fiscal year must be added to all other distributions to the school district in the fiscal year to determine the distribution for the subsequent fiscal year.

(3) Each year, 70% of each district's block grant must be distributed in November and 30% of each district's block grant must be distributed in May at the same time that guaranteed tax base aid is distributed.

(4) (a) The block grant for the district general fund is equal to the ~~average~~ amount received in fiscal ~~years 2002 and 2003~~ year 2011 by the district general fund from the block grants provided for in subsection (1) and the amount received by the district general fund under subsection (2), except the amount received under [section 3(3)(b) of Senate Bill No. 372]. ~~The block grant must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year.~~

(b) The block grant for the district transportation fund is equal to ~~one-half of the average~~ amount received in fiscal ~~years 2002 and 2003~~ year 2011 by the district transportation fund from the block grants provided for in subsection (1) and the amount received by the district transportation fund under subsection (2), except the amount received under [section 3(3)(b) of Senate Bill No. 372]. ~~The block grant must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year.~~

(c) (i) The combined fund block grant is equal to the ~~average~~ amount received in fiscal ~~years 2002 and 2003~~ by the district tuition, bus depreciation reserve, building reserve, nonoperating, and adult education funds from the block grants provided for in subsection (1). ~~The block grant must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year~~ year 2011 and the amount received under subsection (2), except the amount received under [section 3(3)(b) of Senate Bill No. 372].

(ii) The school district may deposit the combined fund block grant into any budgeted fund of the district."

MESSAGES FROM THE SENATE

Governor's amendments to Senate bills not concurred in and transmitted to the House for concurrence in the Governor's amendments:

SB 35, introduced by Hamlett

SB 108, introduced by De. Barrett

SB 136, introduced by Balyeat

SB 312, introduced by Vincent

April 26, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol
Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby return with amendments House Bill 494, "**AN ACT REVISING PROVISIONS GOVERNING EXEMPTION FROM SUBDIVISION REVIEW FOR THE SALE, RENT, LEASE, OR OTHER CONVEYANCES OF BUILDINGS, STRUCTURES, OR OTHER IMPROVEMENTS; AMENDING SECTION 76-3-204, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE**" for the following reasons.

House Bill 494 would permit the sale, rent, or lease of one or more parts of one or more buildings, structures, or other improvements, whether they are existing or proposed, on a parcel of land without any review or approval by a local government under the provisions of the Montana Subdivision and Platting Act.

I have proposed amendments to HB 494 to accomplish five things.

The first amendment eliminates the provision in the bill that would permit the sale or conveyance of multiple buildings, structures, or improvements on a single tract of record without subdivision review. Exempting such sales or conveyances to different individuals would constitute defacto divisions of land that effectively would swallow the entire Subdivision and Platting Act. My understanding is that the intent of HB 494 is to provide property owners with the ability to earn additional income through rent or lease, not to circumvent the Act in its entirety. The ability to legally transfer undivided interests within a single property can only be

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 26, 2011

achieved through the subdivision of a tract of record to create condominiums or through the use of the exemption for condominiums found under § 76-3-203, MCA. Therefore, the ability to sell or otherwise convey buildings, structures and improvements should be removed from the bill.

The second amendment limits the exemption for renting or leasing to a maximum of four buildings, structures, or improvements. Placing this "sideboard" on the exemption will accomplish the primary objective of the bill without jeopardizing the ability of local governments to provide services and protect public health and safety. Currently, the bill would permit an unlimited number of buildings, structures, or improvements upon a tract of record without any local government review or approval. Permitting this unlimited development would be contrary to the purposes of the Montana Subdivision and Platting Act, as codified at § 76-3-102, MCA.

The third amendment deletes the section of HB 494 discussing the applicability of zoning regulations to the exemption established under the bill. Zoning regulations apply independent of subdivision regulations or exemptions to subdivision regulations addressed in the bill. Therefore, the language I propose to delete has no effect anyway and is unnecessarily confusing.

The fourth amendment grandfathers youth camps, as defined in § 50-52-101, MCA, that are under construction or already in operation, into the exemption provided under § 76-3-204, MCA. The amendment also clarifies that youth camps that only lease or rent their property as camps are not subject to subdivision review.

The final amendment would "grandfather" in existing buildings, structures, or improvements that are currently being rented or leased and those under construction as of the Act's effective date. This step will provide predictability to those individuals who have previously invested time and money into their rental and lease developments and those who are currently in the process of doing so.

To that end, I believe my amendments are good for the residents of Montana and keep control of land use issues in the hands of local governments. I have discussed these amendments with the sponsor, Representative Edmunds, and he has indicated his support. I ask for your support of the amendments, as well.

Sincerely,

BRIAN SCHWEITZER
Governor

(3) The account may be used only for:

(a) loans that are to be used for research and commercialization projects to be conducted at research and commercialization centers located in Montana;

(b) grants that are to be used for production agriculture research, development, and

(5) (a) At least 30% of the account funds approved for research and commercialization projects must be directed toward projects that enhance clean coal research and development or renewable resource research and development.

(7) The board shall establish policies, procedures, and criteria that achieve the objectives in its research and commercialization strategic plan for the awarding of grants and loans. The criteria must include:

(a) the project's potential to diversify or add value to a traditional basic industry of the state's economy;

(b) whether the project shows promise for enhancing technology-based sectors of Montana's economy or promise for commercial development of discoveries;

(c) whether the project employs or otherwise takes advantage of existing research and commercialization strengths within the state's public university and private research establishment;

MESSAGES FROM THE GOVERNOR

April 28, 2011

The Honorable Mike Milburn
Speaker of the House
State Capitol

HOUSE JOURNAL
ADDENDUM
62ND LEGISLATURE

Helena, Montana 59620

The Honorable Jim Peterson
President of the Senate
State Capitol
Helena, Montana 59620

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and laws of the State of Montana, I hereby veto House Bill 59, **"AN ACT REVISING THE DEFINITION OF "ELIGIBLE RENEWABLE RESOURCE" TO INCLUDE HYDROELECTRIC PROJECT EXPANSIONS; GRANTING THE PUBLIC SERVICE COMMISSION RULEMAKING AUTHORITY OVER HYDROELECTRIC PROJECT EXPANSIONS; AMENDING SECTIONS 69-3-2003 AND 69-3-2006, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE"** for the following reasons.

House Bill 59 would amend the Renewable Power Production and Rural Economic Development Act of 2005. This landmark legislation provided incentives for jobcreating, clean energy projects.

HB 59 seeks to amend the Renewable Power Act so as to give incentives to projects that expand or upgrade hydroelectric dams. This is a reasonable goal. However, this bill also looks backwards, and would provide incentives to projects that are already underway. As written, HB 59 would provide an incentive to one project in Montana that has been under construction for a year and half, is moving along rapidly, and was clearly an economically viable project that did not require an incentive. Please realize that if we give incentives to this project, these incentives will be unavailable to new projects that create new jobs.

I do not believe that we should be giving out incentives that do not add jobs to our economy. I made this point in my proposed amendments to HB 59, but they were rejected.

Sincerely,

BRIAN SCHWEITZER
GOVERNOR

The Honorable Jim Peterson
President of the Senate
State Capitol

Dear Speaker Milburn and President Peterson:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 358 (HB 358), **"AN ACT INCREASING THE AMOUNT THAT AN EMPLOYEE OR ACCOUNT HOLDER MAY EXCLUDE FROM MONTANA ADJUSTED GROSS INCOME FOR CONTRIBUTIONS DEPOSITED INTO A MEDICAL SAVINGS ACCOUNT; AMENDING SECTION 15-61202, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE."**

I have issued this veto of HB 358 because I believe the bill is a ruse for meaningful health care reform -reform to benefit the majority of Montanans. Further, HB 358 has an estimated fiscal impact to the state of approximately \$180,000. At a time when the state is guarding its balance sheets carefully, I do not believe the legislation is prudent.

I respectfully ask for your support in sustaining my veto.

Sincerely,

BRIAN SCHWEITZER

The Honorable Linda McCulloch
Secretary of State

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 306 (HB 306), **"AN ACT ELIMINATING THE REQUIREMENT FOR A NOTARY PUBLIC TO KEEP AND MAINTAIN AN OFFICIAL NOTARY JOURNAL; AMENDING SECTIONS 1-5-416 AND 1-5-419, MCA; AND PROVIDING AN EFFECTIVE DATE."**

House Bill 306 eliminates the requirement that a notary public keep and maintain a journal. This would be bad for consumers and would increase civil litigation, as it would vastly increase the potential for fraud, identity theft and the bilking of elderly people.

HOUSE JOURNAL
ADDENDUM
62ND LEGISLATURE

A notarization is required by law when we sign documents to buy or sell property, to grant another person authority over our financial affairs, or to make medical decisions or end-of-life decisions. Notarization is also frequently used voluntarily in other large transactions. It has long been recognized that these large or important transactions are less susceptible to fraud and forgery when an official, unbiased witness (a notary public) is present when a document is signed, and can vouch for the fact that the signature is authentic and that the signatory was present.

An important feature of a notarization is the accompanying entry made by the notary in his or her own journal. This journal entry serves as a trustworthy, contemporaneous account of exactly what took place at the time that the document was notarized. Journal entries serve as proof in courts of law that a contract was signed in front of the notary, and that the document was signed without coercion and with mental competence. And in certain areas of commerce, these journal entries also offer strong protection for consumers.

If HB 306 were signed into law, notaries would likely become the only public officials in government, at any level, who are not required to keep a record of their public acts. I see no reason that this should be the case.

April 28, 2011

May 5, 2011

The Honorable Linda McCulloch
Secretary of State
State Capitol
Helena MT 59620

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 152, **"AN ACT REVISING PROOF OF RESIDENCY REQUIREMENTS FOR VOTER REGISTRATION AND PROOF OF IDENTITY REQUIREMENTS FOR VOTING; AND AMENDING SECTIONS 13-2-110, 13-13-114, 13-13-201, AND 13-13-602, MCA."**

House Bill 152 would require Montana voters to produce a government-issued photo ID when they appear at a polling location to cast their vote. This requirement would create an unacceptable and unnecessary burden on many elderly voters, low-income voters, disabled voters and students. Many of these citizens do not have drivers' licenses and live on low or fixed incomes. If these citizens are required to obtain a photo ID, it will cost them each \$8, every four years. The elderly and the disabled, many of whom are seriously impaired in their mobility, would now be required to make a trip to the Department of Justice's Motor Vehicles Division to obtain a photo ID, or else become automatically ineligible to vote.

HOUSE JOURNAL
ADDENDUM
62ND LEGISLATURE

The state has for many decades recognized several forms of valid identification even though these items do not contain photographs. For example, the Registration Confirmation Card, mailed to every citizen who registers to vote, has long been recognized under the law as a valid form of identification. A significant number of voters-perhaps as many as several thousand per election-routinely come to the polls with no form of identification but these registration cards. If HB 152 were to become law, many of these same persons would be turned away for lack of a photo 1D

Finally, I would note that over the course of two extensive hearings, the proponents of HB 152 cited "voter fraud" as the impetus for this legislation, but could not produce a single example of any such fraud. Thus HB 152, like other election bills that I have vetoed this session, seeks to interfere with fundamental rights of Montana citizens by imposing new and unnecessary regulations. Categorically, such a bill must not be allowed to become law.

Sincerely,

BRIAN SCHWEITZER
GOVERNOR

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 316 (HB 316), **"AN ACT GENERALLY REVISING THE ALLOCATION OF INCOME AND REVENUE."**

Despite the fact the State of Montana now has over \$330 million cash in the bank, HB 316 needlessly steals or transfers revenue from valuable job creating economic development tools, community impact funds, and longstanding programs away from their intended sources. The bill is unnecessary given Montana's strong revenue collections and I see no reason why we should hinder our economic recovery when the money to fund core essential services is in the bank.

For fiscal year 2011, revenues have grown 8.79%. Furthermore, as the Legislature drains funds from job-creating investments in the misguided belief that the money isn't there, for the revenues contained in House Joint Resolution 2 to be accurate, revenues

Further, despite the commitments made by legislative leadership, HB 316 holds our schools hostage, a tactic I find unacceptable. Therefore, I am directing my Office of Budget and Program Planning to prepare legislation for the 2013 Legislature which funds the second year of the coming biennium at the full 2.43% level approved in House Bill 2. This will ensure that classrooms remain whole in this biennium despite the actions the 62nd Legislature took to hold K-12 education captive.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby deliver to you House Bill No. 604 (HB 604), **"AN ACT PROVIDING FOR FUND TRANSFERS AND AN APPROPRIATION; AUTHORIZING FUND TRANSFERS FROM THE TELECOMMUNICATIONS SERVICES AND SPECIALIZED TELECOMMUNICATIONS EQUIPMENT ACCOUNT, THE OLDER MONTANANS TRUST FUND, AND THE FIRE SUPPRESSION ACCOUNT TO THE GENERAL FUND; AUTHORIZING FUND TRANSFERS FROM THE MOTOR VEHICLE AND RECYCLING ACCOUNT, THE ORPHAN SHARE ACCOUNT, THE COAL BED METHANE PROTECTION ACCOUNT, AND THE OIL AND GAS CONSERVATION ACCOUNT TO THE GUARANTEE ACCOUNT FOR DISTRIBUTION TO SCHOOL DISTRICTS; AUTHORIZING A FUND TRANSFER FROM THE OLDER MONTANANS TRUST FUND TO THE HEALTH AND MEDICAID INITIATIVES ACCOUNT; AUTHORIZING A FUND TRANSFER TO THE OLD FUND WORKERS' COMPENSATION ACCOUNT FROM THE GENERAL FUND AND THE OLD FUND LIABILITY ACCOUNT; REVISING THE TRANSFER TO THE RESEARCH AND COMMERCIALIZATION STATE SPECIAL REVENUE ACCOUNT FOR FISCAL YEARS 2012 AND 2013; IMPOSING A PREMIUM FEE ON CERTAIN WORKERS' COMPENSATION POLICIES; CREATING A STATE SPECIAL REVENUE ACCOUNT; AMENDING SECTIONS 15-35-108, 39-71-2352, 52-3-115, 53-19-310, 75-10-532, 7510-743, 76-13-150, 76-15-904, AND 82-11-135, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE, AN APPLICABILITY DATE, AND TERMINATION DATES,"** which I have signed into law with one significant change.

HOUSE JOURNAL
ADDENDUM
62ND LEGISLATURE

Late on the last day of the regular session of the 62nd Legislature, a conference committee comprised of six legislators substantially re-worked HB 604. To the surprise and objection of many, among the amendments approved by the conference committee to HB 604 on the final legislative day was an amendment that assessed -through June 3D, 2023 --a 2.75% tax on all workers' compensation premiums paid by businesses and employers throughout Montana that obtain their workers' compensation insurance from the state compensation insurance fund, otherwise known as the "State Fund." This new tax on employers is intended to pay claims that are anticipated to be made against the "old fund," for injuries resulting from accidents that occurred before July 1, 1990. Absent this tax increase, these claims will be paid under current law out of the general fund. With great division and dissent, the Montana House and Senate approved the

conference committee report to HB 604 at 8:31 p.m. and 8:41 p.m., respectively, just prior to adjourning sine die.

Most outrageous, however, is that the tax to be charged employers until the year 2023 -anticipated to raise approximately \$7,314,660 over the next biennium, alone --was supported by a majority of conservative legislators who identified as primary goals both job-creation and the lowering of workers' compensation costs for Montana employers. The mechanisms in HB 604 to pay old fund workers' compensation liabilities do nothing to create jobs or lower workers' compensation premiums for Montana employers. In fact, they do the exact opposite.

We should not forget how this state debt was created in the first place. In 2003, in order to balance the state budget, the Legislature chose to take \$52,568,000 from the "old fund" to subsidize general fund spending (HB363, 2003 regular session). It should further be noted that the cost to the state of this transfer is \$60,770,534 (Montana State Fund 2011 Budget Analysis: Old Fund and New Fund, Legislative Fiscal Division, Nov. 4, 2010)

I oppose this tax on Montana businesses of roughly \$7,314,660 over the next biennium to pay for the anticipated "old fund" liabilities. The version of HB 604 passed by the majority party of the Legislature does not assist Montana employers and does not help create Montana jobs. I, therefore, have exercised my item veto authority under Article VI, § 5 of the Montana Constitution and have stricken from the bill all provisions of HB 604 related to payment of "old fund" workers' compensation liabilities (liabilities for claims arising from accidents that occurred before July 1, 1990). Most importantly, this item veto removes from HB 604 the 2.75% tax increase that otherwise would be assessed on workers' compensation premiums paid by employers insured by the State Fund.

Sincerely,

BRIAN SCHWEITZER

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 167 (HB 167), **"AN ACT CREATING CRIMINAL OFFENSES INVOLVING DEATH TO AN UNBORN CHILD AND PROVIDING EXCEPTIONS; AND AMENDING SECTIONS 45-5-102 AND 45-5103, MCA."**

I have issued this veto because I believe its primary purpose and focus is to serve a political agenda, not to protect pregnant women from violence or punish the acts of offenders. Penalty enhancements for violent crimes against pregnant women, as proposed in the introduced version of HB 457 (tabled in the Senate Judiciary Committee), would have served the same penological purpose as HB 167 without entangling the issue in the abortion debate.

Similarly, if the supporters of HB 167 had wanted to strengthen criminal laws involving crimes of violence, other legislation considered this past session would have provided prosecutors with enhanced tools. For example, HB 203, which would have allowed prosecutors to introduce evidence of previous sexual assault crimes by the person charged, and SB 58, which strengthened Montana law concerning the retention of DNA evidence obtained in the investigation of certain offenses, were considered by the Legislature but tabled in committees.

Finally, I also am concerned that prosecution of crimes under HB 167 could invade the privacy of a pregnant woman, who has already been traumatized by the violence against her, by exposing her medical records and other private information in a criminal court proceeding, including to the perpetrator of the crime.

House Bill 186 increases the assessment on employers under workers' compensation plans No.1, 2 and 3. My administration worked very hard this session to reduce workers' compensation rates for employers in this state that resulted in my signing House Bill 334. Increasing the assessment on employers to add additional funding for workplace safety and early return to work reverses the direction of trying to lower the costs to employers. Workplace safety and early return to work are very important programs. Insurers should be shouldering the costs of these programs to better serve their insured.

More important, the assessment is really a tax. I have stated over and over again that I will not raise taxes during my administration. Therefore I must veto this bill.

Dear Secretary McCulloch:

DECLARING USE OF ACTUARIAL TABLES TO BE A NONDISCRIMINATORY APPROACH TO SETTING PREMIUMS; PROVIDING AN EXCEPTION FOR PREMIUM RATES ASSOCIATED WITH DISABILITY INSURANCE; AMENDING SECTION 49-2-309, MCA; AND PROVIDING AN APPLICABILITY DATE."

I have been advised that HB 283 is likely unconstitutional, as in violation of the equality provisions of the Montana Constitution found in Article II, § 4, which, unlike the federal Constitution, expressly prohibits discrimination on the basis of sex (as well as other categories, such as race and religion). Unique among the states, Montana's Constitution applies not only to state actions but to actions taken by the private sector. At a minimum, as expressed by constitutional convention delegate Wade Dahood, the prohibition applies to matters of a quasipublic nature, such as employment, housing, public accommodations, finance and credit, and the subject of this bill -insurance, acquisition of which is a legal and practical necessity for most Montanans. Proceedings of the Montana Constitutional Convention, Vol. V, p. 1643.

To illustrate the constitutional principle on a practical level, actuarial differences in risk factors exist not only between the sexes but between individuals of different races and religions. Yet, as a society, we understand that it would be socially repugnant to allow different insurance rates or benefits on grounds of an individual's race or religion. Using a constitutional framework, there is no difference between the prohibition on setting insurance rates and benefits based on race or religion and the same prohibition as applied to gender. These classifications are equally and expressly prohibited.

I have vetoed HB 283 for the above reasons, consistent with the provisions of Article II, § 4-of the Montana Constitution.

INITIATE A STUDY OR INVESTIGATION TO VERIFY THE EXISTENCE OF AN EMERGENCY; LIMITING A RESOLUTION FOR AN INTERIM ZONING DISTRICT OR INTERIM REGULATION TO 182 DAYS FROM THE DATE IT BECOMES EFFECTIVE; ELIMINATING THE SPECIFICATION OF EXIGENT CIRCUMSTANCES; REQUIRING CERTAIN PROCEDURES FOR THE EXTENSION OF A RESOLUTION FOR AN INTERIM ZONING DISTRICT OR INTERIM REGULATION; AND AMENDING SECTION 76-2-206, MCA."

In my opinion, HB 366, revising the procedures related to a county's use of interim zoning, is a solution in search of a problem. I have vetoed the bill because I believe it unnecessarily ties the hands of locally-elected public officials as they deal with complex and often contentious local planning and zoning issues.

Under current law --specifically § 76-2-206, MCA --county commissioners may establish interim zoning districts or interim regulations as emergency measures to promote the public health, safety, morals, and general welfare. This statute provides reasonable limits on commissioners' authority, including a one year limit on the duration of interim zoning, subject to a one year extension, and other conditions that demonstrate the commissioners' ongoing review of land use regulations. Interim zoning is an important tool counties can employ to protect private property rights when they are faced with unexpected land use proposals and pending final zoning decisions.

House Bill 366 not only limits the duration of interim zoning, it requires counties to undertake studies and investigations to verify that emergencies exist and the facts and circumstances constituting the emergency. Additionally, HB 366 requires unanimous or super-majority votes by county commissioners to extend interim zoning beyond a 182day time limit. I believe these measures unnecessarily seize discretion from locallyelected county commissioners to properly serve the best interests of their communities.

Interim zoning is a valid and reasonable use of an already limited local authority that allows a county the extra time necessary to carefully consider development that may run contrary to the long-term goals of the community. I believe this responsibility rightly belongs in the hands of locally-elected officials, and that county commissioners are fully capable of exercising this authority with appropriate discretion.

After being roundly criticized by the majority party for proposing in my executive budget fund transfers that reflect the ongoing priorities of the State of Montana, the irony of HB 375 is simply too rich to ignore. What remains in the seventh iteration of HB 375, delivered to me for signature, are fund transfers to the general fund, of approximately \$150,000 annually, from three services: search and rescue, recreational safety in state parks, and the junk vehicle fund. Notably, HB 604, another transfer bill that has already been signed into law (with an item veto), already transfers \$2.5 million from the junk vehicle fund in fiscal year 2012. Notably, too, the fund transfers in HB 375 terminate June 30, 2015, so the reductions in funding to these programs will last for the next two biennia.

I can say with absolute confidence that the fund transfers to the general fund in this seventh iteration of HB 375 are unnecessary to ensure a balanced budget for the next two biennia.

It is for these reasons, I have chosen to veto the bill.

Under the guise that reducing the statute of limitations for medical malpractice claims in Montana from three years to two will attract more health care providers to this state and reduce providers' insurance premiums, the Legislature passed HB 408. I issue this veto because the healthcare industry already has dozens of statutory liability protections, and I do not believe there is a reason for the statute of limitations on medical malpractice cases to be any different than the statute of limitations on tort actions generally, which is three years. See Mont. Code Ann. § 27-2-204.

It is significant that medical injuries are often complex and dynamic, may take years to stabilize, and may require the retention of outside medical experts to evaluate highly specialized and complex medical treatment, records, and conditions. I note, as well, that the Montana Medical Legal Panel's March 12, 2010 report shows that in 2008 and 2009, the number of medical malpractice claims in Montana as a percentage of Montana health care providers was lower than at any time since 1981.

House Bill 612 directly hurts small businesses and their employees. The bill would prohibit an employer from claiming an Insure Montana tax credit if the employer is eligible for a federal small employer health insurance tax credit. Ironically, despite the majority party's scorn for the federal health care reform act, the federal tax credit is contained within that federal act. This provision of the federal health care reform act serves similar goals to the tax credits available under Montana's Insure Montana law --to encourage small businesses to insure their employees.

Thus, despite the fact the State of Montana now has over \$330 million cash in the bank, HB 612 needlessly would eliminate tax credits to assist small businesses. Indeed, 800 businesses in Montana currently claim the state tax credit, antiCipated to total \$4.4 million in fiscal year 2010, because they provide their employees with health insurance benefits. These employee health care benefits help Montana small businesses attract and retain top quality employees.

House Bill 612 would hurt small businesses and hurt their employees. With \$330 million in the bank and my primary goal to assist economic recovery in Montana, HB 612 would accomplish just the opposite. For these reasons, I have vetoed the bill.

House Bill 271 would allow anyone "eligible to possess a handgun under state or federal law" to carry a concealed weapon, without a permit. This allows the individual to make his or her own eligibility determination and deprives law enforcement of the opportunity to consider whether the person is a threat to the community.

Obviously, this bill would greatly imperil the work and safety of Montana's lawmen, including sheriffs and highway patrolmen. Under current law, Montana's sheriffs are responsible for issuing concealed weapon permits. This is as it should be. Sheriffs are dedicated, locally-elected, boots-on-the-ground officials who have the best sense of their community when it comes to law enforcement and public safety. In this regard, I would note that HB 271 is opposed by the Montana Sheriffs and Peace Officers Association, and also the Montana Department of Justice, the Montana County

HOUSE JOURNAL
ADDENDUM
62ND LEGISLATURE

Attorneys Association, the Montana Association of Chiefs of Police, and the Montana Police Protective Association.

HB 271 would entirely remove the Sheriff's authority and discretion to issue or deny concealed weapons permits. It would also, paradoxically, dismantle many reasonable Montana laws and regulations which ensure that permit-holders are not unduly burdened. For example, HB 271 would void our state's reciprocity agreements with more than 30 states that recognize concealed weapon permits; and it would void our laws that allow Montana permit-holders to forgo the background check required for a firearm purchase.

Finally, I would like the sponsors of this bill to consider the absurdity of the standard set forth in HB 271. If this standard were applied to the issuance of other permits and licenses in our society, then nobody could be prosecuted for failure to produce a driver's license, a commercial driver's license, a pilot's license, a building permit, a hunting license, or any other type of permit. These documents would not be necessary. People would simply have to produce evidence that they were "eligible" to possess them.

MCA; AND PROVIDING AN EFFECTIVE DATE."

Regretfully, HB 414 is not just a "feel good" bill, or a "solution in search of a problem," it takes a frivolous, ineffectual law and makes it more so. The bill amends the Federal Mandates Act, codified as Title 2, chapter 1, part 4, MCA, enacted in 1995 to "ensure the primacy of the state of Montana's legal and political authority to implement ... federal statutes." Having inquired with the Budget Office, which conducts a Federal Mandates Act survey of all agencies prior to preparing the state budget, I have been told that since its passage 16 years ago, and implemented by two Governors before me, the Federal Mandates Act has served no useful function.

The 2011 Legislature may best be remembered for its efforts to "nullify" numerous federal laws and set records for the greatest number of unconstitutional bills in a legislative session -as identified by its own legal staff. The 1995 Federal Mandates Act, itself, is consistent in spirit with many of those bills, so it is not surprising that the 2011 Legislature sent me a bill to try to strengthen the Act.

However, the sum and substance of HB 414 is to require the production of yet more reports by more agencies to implement the 1995 law. The "take away" lesson from the 2011 Legislature should be that government works best when its directors roll up their sleeves and get to work, not when they pass frivolous laws that would require the production of more reports to gather more dust.

House Bill 414 should never have reached my desk. However, since it did, I have chosen to veto it.

House 8ill444 would establish a website with a searchable database, listing all state expenditures for the public to examine. Development of this website would cost almost \$400,000, but provide no return on the taxpayer investment. Montanans already have ample access to information about the state budget. The Legislative Fiscal Division publishes volumes of reports about the budget passed by the Legislature and endless other fiscal matters. If legislators desired to publish more information about Montana's fiscal affairs, they already have the authority to upload that information on their own website. Additionally, Legislative Audit Division reports, showing detailed budget information, already can be obtained by the public in both digital and hard copy formats for free. As well, the state's Consolidated Annual Financial Report (CAFR) is available from the Legislative Auditor.

There is a more practical obstacle to my veto. As part of our overall budget settlement, my office reached an agreement with the Speaker of the House and the President of the Senate that this bill would not receive funding. This means that the nearly \$400,000 cost of implementing HB 444 is not addressed in House Bill 2 and would represent an unfunded mandate imposed upon the Department of Administration. AND GRATUITIES FROM THE DEFINITION OF "WAGES" UNDER WORKERS' COMPENSATION LAW IN ORDER TO REDUCE EMPLOYER CONTRIBUTIONS TO THE WORKERS' COMPENSATION PROGRAM; AND AMENDING SECTIONS 33-22-2006 AND 39-71-123, MCA."

This bill is unfair to service industry employees and treats them differently than other employees who are compensated with a steady, reliable paycheck. House Bill 577 decreases the benefits paid to those in the service industry by excluding tips and gratuities documented by the employer from the definition of "wages."

Earlier this session, I signed HB 334 into law. That bill contained comprehensive, bipartisan workers' compensation reform. The reforms will cause major changes in our state workers' compensation system that will lower insurance rates in both the short and the long term. While I did not agree with everything in the bill, I agreed to compromise because major reform was clearly necessary for Montana. One of the provisions in HB 334 that I did not fully support eliminated permanent partial benefits for many Montana workers with minor injuries. In light of that major change to our workers' compensation system, I cannot support HB 577 because it would lower benefits for even more injured workers. The bill would place most tipped employees in the position of being considered minimum wage workers for purposes of determining their eligibility for permanent partial benefits. Tips have long been considered wages for workers' compensation benefit calculations in Montana. House Bill 577 could upset the quid pro quo of the workers' compensation system for those workers by significantly cutting the wages used to calculate benefits. For these reasons, I am vetoing the bill.

House Bill 616 would summarily fire the twelve current members of the Agricultural Land Valuation Advisory Committee and replace them with new personnel of the majority party's choosing, despite the fact that the Committee has discharged its responsibilities with timeliness, efficiency, and productivity.

Particularly, this bill is a deliberate affront to the presiding Committee chair, Dr. Gerald Nielson, from Montana State University. Mr. Nielson is a world-renowned soil scientist whose leadership has been exemplary. His expertise, moreover, is precisely what is needed on this committee, given that the productivity valuation of agricultural land is based on soil science. It is clear from the Senate floor debate on this bill, however, that the majority leaders in the Legislature have a preferred candidate in mind to replace Mr. Nielson-even though that preferred candidate does not possess comparable credentials as a professional soil scientist.

Furthermore, by summarily firing not only Mr. Nielson but the entire Committee membership, HB 616 disparages the good work of the sitting Committee members, who are dedicated, hard-working people representing multiple sectors of agriculture from the far corners of the state. And by reducing the number of appointees from twelve to seven, the bill would also have the effect of reducing representation for certain sectors of agriculture. I am concerned that the majority leadership could replace these working folks with several Helena lobbyists who share the ideology of the majority leaders.

Finally, the bill blurs the distinction between executive branch advisory functions and legislative oversight. Not only would the Committee be tasked with advising the Department of Revenue on agricultural land valuation, it would be tasked with investigating the Department's work and reporting its findings directly to the Revenue and Transportation Interim Committee. In this respect, I believe HB 616 raises serious separation of powers issues that I find untenable.

I have vetoed HB 616 for all these stated reasons.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill 406, **"AN ACT AUTHORIZING A PROPERTY TAXPAYER THAT OBJECTS TO THE ASSESSED VALUATION OF CERTAIN TYPES OF PROPERTY TO HAVE THE ASSESSED VALUATION SUBJECT TO MEDIATION; REQUIRING PAYMENT OF A FEE AND PROVIDING PROCEDURES FOR MEDIATION; ALLOWING AN OBJECTING TAXPAYER TO APPEAL THE ASSESSED VALUATION OF THE PROPERTY DIRECTLY TO DISTRICT COURT IF MEDIATION IS UNSUCCESSFUL; PROVIDING THAT THE UNIFORM DISPUTE REVIEW PROCEDURE DOES NOT APPLY TO THE ASSESSMENT OF CENTRALLY ASSESSED PROPERTY OR INDUSTRIAL PROPERTY THAT IS ASSESSED ANNUALLY BY THE DEPARTMENT OF REVENUE; AND AMENDING SECTIONS 15-1-211, 15-1-402, 15-2-302, 15-8-601, 15-15-102, 15-23-102, 15-23-104, AND 15-24-3112, MCA."**

Senate Bill 406 would give large, industrial corporations and other centrally-assessed taxpayers the right to force the Department of Revenue into a mediation session over the valuation of their property. If the corporation were unhappy with the mediation decisions, SB 406 would give the company the right to bypass all hearings at the County and State Tax Appeal Board and file a claim directly in any district court where the company has property.

This sweetheart deal of a bill, in essence, would give a select group of large corporate tax-payers unprecedented control on when, where and how their tax appeals will be handled. It would them a shot at tax breaks at the expense of homeowners, farmers, ranchers and other small businesses who can't afford to hire expensive lawyers to help them wiggle out of paying their taxes.

SB406 also has a cost. By replacing the State Tax Appeals Board's expertise in making valuations with the testimony of hired-gun experts in district courts, the bill would increase litigation costs to the public. At the hearings on this bill, the proponents were candid about these effects being intended to drive the Department of Revenue to the negotiating table and settle claims. But the taxpayer cost of settling these cases would generally two to four times higher than taking these cases through the normal appeals process. The Department has estimated that under the bill, corporations that perennially appeal their taxes as an inherent corporate strategy would win double to quadruple settlement bonuses-with the cost shifted unfairly to smaller taxpayers.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby deliver to you House Bill NO.5 (HB 5), **"AN ACT GENERALLY REVISING LAWS RELATING TO CAPITAL PROJECTS; APPROPRIATING MONEY FOR CAPITAL PROJECTS FOR THE BIENNIUM ENDING JUNE 30, 2013; PROVIDING FOR OTHER MATTERS RELATING TO THE APPROPRIATIONS; PROVIDING FOR A TRANSFER OF FUNDS FROM THE LONG-RANGE BUILDING PROGRAM ACCOUNT TO THE STATE GENERAL FUND; REVISING REQUIREMENTS FOR CIGARETTE TAX REVENUE; AMENDING SECTION 17-7-205, MCA; AMENDING SECTION 2, CHAPTER 3, SPECIAL LAWS OF MAY 2007, SECTION 2, CHAPTER 478, LAWS OF 2009, AND SECTION 6, CHAPTER 478, LAWS OF 2009; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE,"** which I have signed into law with one item "struck-out," or vetoed.

The budget I submitted to the Legislature included reductions to information technology (IT) projects authorized by previous legislatures. My budget also transferred the resulting savings, totaling \$10.7 million, to the general fund. These proposals were contained in House Bill 10, Reducing Information Technology Appropriations.

The Legislature, however, took \$5.975 million of the \$10.7 million in savings I had proposed in my budget in order to fund its own IT project in HB 5. My item veto strikes this \$5.975 million appropriation to the Legislature from HB 5, along with the accompanying narrative.

The executive branch has numerous IT needs that will be unfunded next biennium in order that we prioritize spending money on the state's core services. For the same reasons I chose not to fund these previously authorized IT projects within the executive branch, I believe now is not the time to fund a nonessential IT project within the legislative branch.

I believe this is especially true where, for the first time in Montana's history, the Legislature refused to fund the pay plan negotiated between the administration and state workers. This failure by the Legislature, coming on the heels of the pay freeze for state workers in the current biennium, makes my decision to veto the IT appropriation to the Legislature easy. Shame on the Republican majority.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No. 97 (SB 97), **"AN ACT REPEALING THE PARENTAL NOTICE OF ABORTION ACT AND ENACTING THE PARENTAL NOTICE OF ABORTION ACT OF 2011; PROVIDING THAT THE PROVISIONS OF THE ACT APPLY TO MINORS UNDER 16 YEARS OF AGE; REVISING THE JUDICIAL BYPASS PROVISIONS UNDER THE ACT; AMENDING SECTIONS 41-1-405 AND 47-1-104, MCA; REPEALING SECTIONS 50-20-201, 50-20-202, 50-20-203, 50-20-204, 50-20-205, 50-20-208, 50-20-209, 50-20-211, 50-20-212, AND 50-20-215, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."**

I have vetoed SB 97 because I have been counseled that it is likely unconstitutional, as in violation of the express privacy clause contained in Article II, § 10, the equal protection clause found in Article II, § 4, and the "Rights of Persons Not Adults" clause, contained in Article II, § 15 of the Montana Constitution.

Senate Bill 97 repeals then reenacts in substantially the same form Montana's current Parental Notice of Abortion Act, which was held to be unconstitutional by Montana's First Judicial District Court in *Wicklund v. State*, 1999 Mont. Dist. LEXIS 1116, a decision that was never appealed. In that case, the court held that Montana's express constitutional privacy clause granted minors, including pregnant minors, a fundamental right of individual privacy, which right encompasses a minor's right to decide whether to terminate her pregnancy, and that the right was infringed by the Act.

The District Court considered evidence on teen pregnancies to determine whether a "compelling state interest" existed to justify the privacy infringements contained in the Parental Notice of Abortion Act and rejected every reason advanced by the state to support the infringements. Notably, the legislative purpose and findings contained in the 1995 law to justify the legislation, found to be unconstitutional in *Wicklund*, were reenacted virtually verbatim in SB 97.

HOUSE JOURNAL
ADDENDUM
62ND LEGISLATURE

I recognize that the most obvious difference between SB 97 and the current parental notice act ruled unconstitutional is that SB 97 lowers the age under which the law's provisions would apply from 18 to 16. However, counsel advises that the District Court in Wicklund considered evidence concerning decisions made by adolescents under 15, and this difference between SB 97 and the current law is not likely to affect the Court's analysis or cure the constitutional deficiencies of the legislation.

Given the strength of the 1995 Wicklund decision rejecting as unconstitutional an almost identical parental notice law, and a subsequent decision of the Montana Supreme Court solidifying Montana's strong privacy provisions not only generally, but specifically in the abortion context (*Armstrong v. State*, 1999 MT 261), I have chosen to veto SB 97.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No.1 06 (SB 106), **"AN ACT REQUIRING THE MONTANA ATTORNEY GENERAL TO FILE A MOTION TO JOIN THE FLORIDA LAWSUIT CHALLENGING THE CONSTITUTIONALITY OF PUBLIC LAW 111-148, THE PATIENT PROTECTION AND AFFORDABLE CARE ACT; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."**

SB 106 requires the Montana Attorney General, on behalf of the State of Montana, to file a motion to join a lawsuit now on appeal in the 11 th Circuit Court of Appeals, challenging the constitutionality of the federal Patient Protection and Affordable Care Act. I oppose the bill for two reasons.

First, the Montana Constitution establishes the Montana Attorney General as the "legal officer of the state." MONT. CONST. Art. VI, § 4(4). The Montana Constitution also expressly establishes three distinct branches of government and prohibits one branch from exercising the powers of another. MONT. CONST. Art. III, § 1. I have been advised that the bill in its current

HOUSE JOURNAL
ADDENDUM

form likely runs afoul of these provisions of the Montana Constitution. I understand that the Legislature, too, received an opinion from its own, former, chief legal counsel questioning the constitutionality of SB 106.

Second, any effort by the State of Montana to join the federal lawsuit will not be without cost to the state treasury. The lawsuit is proceeding on its own, without Montana's involvement, and Montana's participation would have no bearing on the outcome. It is evident that despite costing taxpayers money, SB 106 is intended to serve a symbolic purpose, only.

I offered an amendatory veto to SB 106 to address both problems, but the Legislature rejected my proposal. I, therefore, have decided to veto the bill.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 526 (HB 526), **"AN ACT AUTHORIZING AN INTERSTATE HEALTH CARE COMPACT; AND DIRECTING THE GOVERNOR TO JOIN THE COMPACT."**

Under HB 526, Montana would join an interstate compact with other states to suspend the operation of all federal health care laws (except the military, veterans, and Indian Health Services) that are inconsistent with the state's health care laws, including laws as far ranging as Medicaid, Medicare, the federal Children's Health Insurance Program, and laws governing Federally Qualified Health Centers, the Food and Drug Administration, and the Centers for Disease Control as related to disease outbreak. Instead, under HB 526, Montana would receive federal funding for health care according to a formula applicable to member states to the compact, based on federal spending on health care in the state in baseline fiscal year 2010 as adjusted annually for population and inflation.

Under the compact, Montana seniors, people with disabilities, and children are among the

HOUSE JOURNAL

populations that the state would serve in potential disregard of the above-listed federal laws, including, as stated, Medicare and Medicaid. Benefits Montanans receive under those federal laws would be in danger of elimination at the whim of the Montana Legislature, which could change Montana's health care laws biennially, leaving no federal protections in place.

Tucked into HB 526 is the caveat that the bill is not effective until Congress consents to the right of states to enter the compact and suspend the operation of any conflicting federal law. We will put a person on Neptune before Congress gives this consent. HB 526 is a frivolous measure that does nothing at best, and at worst puts seniors, Montanans with disabilities, and children at risk.

The Honorable Linda McCulloch

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No. 225 (SB 225), **"AN ACT REVISING QUALIFYING SMALL POWER PRODUCTION FACILITY LAWS; REQUIRING THE PUBLIC SERVICE COMMISSION TO SET RATES USING AVOIDED COST; REQUIRING THE COMMISSION TO CONSIDER ELECTRICITY SUPPLY RESOURCE PROCUREMENT PLANS AND INTEGRATED LEAST-COST RESOURCE PLANS WHEN CONSIDERING QUALIFYING SMALL POWER PRODUCTION FACILITY APPLICATIONS; ESTABLISHING INTERCONNECTION REQUIREMENTS; AMENDING SECTIONS 69-3-601, 69-3-602, AND 69-3-604, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE."**

Senate Bill 225 amends Montana statutes implementing the federal Public Utility Regulatory Policies Act (PURPA) and related rules. The bill would both add to and subtract from the criteria that guide the Public Service Commission (PSC) in setting rates for small power production facilities. A prominent amendment to current law found in SB 225 is the direction given to the PSC to base power rates on a consideration of whether a small power production facility has attributes that "meet the needs of a utility as outlined in the utility's plan." Given that the utility's

HOUSE JOURNAL
ADDENDUM

plan is a creation of the utility itself, this rate-setting criterion is totally circular and is in the exclusive self-interest of the utility. This self-serving criterion, which is not found in PURPA, appears contrary to the purpose of the federal law, making it an invitation to litigation.

Additionally, the intent of PURPA is to encourage substantial investments in new power facilities. As with any generation facility, the cost of these new power facilities can only be recovered over the long term. Therefore, it would be a critical mistake to strike the existing statutory language encouraging long-term contracts, which unfortunately is one of the things that SB 225 does.

I also ask legislators to recall that the key portion of SB 225, dealing with avoided cost, is duplicated by the content of HB 92, which was introduced at the request of the Energy and Telecommunications Interim Committee following a request from the Public Service Commission itself, and which I have already signed into law.

Although I sought to cure these identified problems with SB 225 through an amendatory veto, the sponsor of the bill asked the Senate to pass consideration of my proposed amendments and, as a result, those improvements to the bill were never considered by the Legislature.

Given the problems that remain in the bill, I have chosen to veto it to avoid preemption issues, potential litigation, and confusion.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No. 307 (SB 307), **"AN ACT REVISING THE PRIVATIZATION PLAN REVIEW PROCESS; REQUIRING LEGISLATIVE INTERIM COMMITTEES TO SOLICIT PUBLIC INPUT ON TERMINATING OR PRIVATIZING PROGRAMS; REQUIRING THE LEGISLATIVE AUDITOR TO REVIEW THE RECOMMENDATIONS AND REPORT TO THE LEGISLATURE ON THE ADVANTAGES OR**

DISADVANTAGES OF TERMINATING OR PRIVATIZING A PROGRAM AND TO PROVIDE THE GOVERNOR WITH A COPY OF THE REPORT; AMENDING SECTIONS 2-8-102, 2-8-105, 2-8-301, AND 2-8-304, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

I have vetoed SB 307 because I oppose the major policy shift reflected in the bill to "bust" Montana's state employee unions. The distress caused to workers, residents, and other constituents in the 2011 session when the Legislature proposed privatizing the Montana Veterans Home in Columbia Falls would be repeated with regularity and on a permanent basis should SB 307 take effect. Senate Bill 307 would turn Montana's privatization law on its head.

Where current law requires executive branch agencies to explain and justify any considerations they may have to privatize a program by preparing a detailed privatization plan, including among other things a cost-benefit and qualitative analysis that would be subject to public review and scrutiny (see Title 2, chapter 8, part 3, MCA), SB 307 would institutionalize as the responsibility of every interim legislative committee the task of considering and recommending the privatization of programs as part of the committee's routine functions with no requirement that the detailed factors requiring analysis by executive branch agencies even be considered by the interim committees.

Additionally, I object to the amendment to the definition of the term "privatize" in SB 307. While current law defines "privatizing" as contracting with the private sector for the performance of work currently conducted by public sector employees, under SB 307, privatizing would be defined as the transfer of the "control or management" of state government to the private sector. Montana's constitution provides that the control and management of government lies with its elected officials who are accountable to the people of Montana, not with the private sector. This amendment to the definition of the term "privatize" is extremely troublesome.

Further, I oppose the provision in SB 307 that strikes from current law the right of the public, bargaining agents or employee representatives, elected officials, legislators, and agency directors to submit to the legislative audit committee a request to review programs currently being conducted under contract that may be administered more cost-effectively by the agency. This amendment, like the others, is contrary to sound public policy.

Finally, it is significant that this "pro-privatization" bill comes on the heels of a 2-year pay freeze in the current biennium, agreed to by some of Montana's most dedicated workers, its state employees, and following the Republican majority's rejection this session, for the first time in Montana history, of a pay plan negotiated between the administration and state workers for a meager 1 % and then 3% delayed pay increase (the increases would have gone into effect in January 2012 and January 2013, respectively). Indeed, it is the state workers' agreement to a pay freeze in 2009 that is in part responsible for the fact that Montana is the envy of the states, with a budget surplus exceeding \$300 million. This "pro-privatization" bill is an insult on top of injury to state workers. Shame on the Republican majority.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No. 356 (SB 356), **"AN ACT CLARIFYING THE DEFINITION OF "GOOD CAUSE SHOWN" FOR A HEARING ON A TEMPORARY PRELIMINARY DECREE OR PRELIMINARY DECREE; AND AMENDING SECTION 85-2233, MCA."**

Senate Bill 356 amends the statute defining who has standing to object to a water right claim in the Montana Water Court and who is entitled to a hearing. The bill, as written, would grant standing only to a person with an ownership interest in an existing water right, permit, certificate, or state reservation. I believe the standing threshold in the bill, based on ownership status, alone, is insufficient and likely would not survive a constitutional challenge. For example, others with property or constitutional interests at stake that did not constitute "ownership" interests, such as those with leasehold interests or interests under Article IX, section 3(3) of the Montana Constitution. Denying a person the right to object to a water right claim when the person has a substantial interest in the matter raises serious constitutional due process issues that the bill does not address.

I proposed a simple amendment that would have defined those with standing to object as persons not only with an "ownership interest" but with a "leasehold, economic, or other substantial interest." Under my amendment, in order to have standing, an individual would have been required to demonstrate a real interest in the water right, and not simply a general interest as a member of the public. The difference is subtle but important. It would have comported with well-established standing law in Montana and eliminated the constitutional issues raised by SB 356 in its current form.

Since this sensible amendment was rejected, I am left with no choice but to veto the bill.

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill No. 358 (SB 358), **"AN ACT GENERALLY REVISING TAX INCREMENT FINANCING DISTRICT LAWS; PROVIDING FOR CREATION OF TARGETED ECONOMIC DEVELOPMENT DISTRICTS; ALLOWING COUNTIES TO CREATE TARGETED ECONOMIC DEVELOPMENT DISTRICTS AND TO USE TAX INCREMENT FINANCING; ADDING COMPONENTS THAT MUST BE INCLUDED IN AN URBAN RENEWAL PLAN; REMOVING PROVISIONS FOR CREATION OF AND BONDING IN TECHNOLOGY DISTRICTS, AEROSPACE TRANSPORTATION AND TECHNOLOGY DISTRICTS, AND INDUSTRIAL DISTRICTS; AMENDING SECTIONS 7-15-4282, 7-15-4283, 7-15-4284, 7-15-4286, 7-15-4288, 7-15-4290, 7-15-4292, 7-15-4293, 7-15-4294, 7-15-4301, 7-15-4302, 7-15-4304, AND 7-15-4324, MCA; REPEALING SECTIONS 7-15-4295, 7-15-4296, 7-15-4297, 7-15-4298, 7-15-4299, AND 17-5-820, MCA; AND PROVIDING AN EFFECTIVE DATE."**

Tax increment financing is a helpful economic and community development tool but, as a matter of constitutional requirements and sound public policy, only works if appropriate sideboards are in place consistent with the purposes for which tax increment financing exists -to expand the Montana and local economies and reverse the economic and property value decline in targeted areas. Absent appropriate sideboards, these purposes are lost and tax increment financing stands to swallow up revenues to state and local government, with the potential to create problems of a constitutional magnitude. While SB 358 sought to make the formation of economic development-related tax increment districts more uniform, because the bill as passed lacks the appropriate sideboards to satisfy the constitutional and policy tests, I have chosen to veto it.

The most important problem with SB 358 is one that would endanger the State's constitutional obligation to equalize the funding of schools. As passed, SB 358 allows new property values arising from centrally assessed property --multi-county pipelines, transmission lines, railroads, and the like --to be included in targeted economic development districts, even though the economic decisions that create the investment in such property are not a product of local

HOUSE JOURNAL
ADDENDUM
62ND LEGISLATURE

economic development efforts, but rather a result of national and international economic factors. Hence, it is not appropriate for a local government to capture their value --to the tune of tens of millions of dollars a year taken away from state school funding --in an effort to prop up the financing of a targeted economic development district.

Let me give a real world example. If the local governments along the Keystone XL pipeline were to take unfair advantage of S8 358 and capture the taxable value of the pipeline for local tax increment districts, \$20 million a year in property tax revenue for state school funding would be lost. Given the 30-year average life of tax increment districts, the state, over that time, would lose \$600 million in state school funding.

Lest you think that is an unlikely scenario, one county already has sought to misuse tax increment financing laws to divert major state school equalization property revenues to local uses by creating a tax increment district comprising 512 square miles along an interstate pipeline route -or one third of that county's land area. That particular case is the subject of an ongoing lawsuit. S8 358 as presented to me provides a green light for these same questionable practices to spread elsewhere with serious fiscal consequences for school funding across the state.

In addition to endangering adequate funding of schools in Montana as required by Montana's constitutional equalization standards, S8 358 is flawed in that it:

- does not require economic development planning for the new targeted economic districts sufficient to ensure a well-defined relationship between the growth being planned and the infrastructure to be financed to support that growth;

-

allows property that has no relationship to the purposes of a targeted economic development district to be included in a district on an unlimited basis; and

-

fails to ensure proper collaboration and accountability among governmental units regarding tax revenues that are diverted to use by tax increment districts.

I submitted an amendatory veto to correct these combined problems, but in spite of the fact that my amendments were in the hands of the Legislature for 10 days prior to adjournment sine die, they were never voted on by either chamber.

Montana has a tax increment law that works well without the passage of S8 358, and my veto of S8 358 will not hamper the effective functioning of tax increment financing as an economic development tool. While local infrastructure to support economic development is important, it cannot come at a grave, overly-broad cost to the state that risks compromising school equalization required by the Montana Constitution, which we have spent so many years litigating, improving, and protecting from another challenge. As passed, S8 358 abandons that responsibility and, because of that, I have chosen to veto it.

Sincerely,

BRIAN SCHWEITZER

Dear Secretary McCulloch:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill No. 494 (HB 494), **"AN ACT REVISING PROVISIONS GOVERNING EXEMPTION FROM SUBDIVISION REVIEW FOR THE SALE, RENT, LEASE, OR OTHER CONVEYANCES OF BUILDINGS, STRUCTURES, OR OTHER IMPROVEMENTS; AMENDING SECTION 76-3-204, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."**

I have vetoed HB 494, because the loophole it creates in Montana's Subdivision and Platting Act essentially would swallow the Act. The bill would broaden the Act's exemptions to allow the placement of an unlimited number of residential or commercial structures upon a tract or multiple tracts of record for the purpose of sale, rent, or lease. For example, a developer conceivably could build a shopping mall for lease or rent and be exempt from subdivision review under HB 494. A landowner on a river bank could similarly build an unlimited number of cabins or other structures for lease, unreviewable by the county. Such development would be allowed without any review or mitigation for negative impacts upon public health and safety, local services, or the other review criteria identified in the Subdivision and Platting Act.

Also important to my decision is that the Legislature passed House Joint Resolution No. 39, which will require an interim study of the competing issues acknowledged and debated on this bill, including the preparation of legislation to submit any "fix" to the 63rd Legislature. In fact, today, the Legislative Council voted to direct the Education and Local Government Interim Committee to conduct the study required by the resolution.

Finally, I proposed simple amendments to cure the bill's problems, which the sponsor supported. However, they were rejected without explanation.

While I recognize the importance of the rights and concerns of all the parties involved in the disputes surrounding this issue and agree that the current law should be improved to address problems under it, I believe the better approach to allowing HB 494 go into effect is to give the Legislature time to develop a more balanced response to the individual problems without undermining the current Act in its entirety.
